## Campusland

A Novel

by Scott Johnston

**A tumultuous and often hilarious first novel about one year of insanity at the Ivy-like Devon University, a blissful bubble of elite students and the adults at their mercy.**

Eph Russell is an English professor up for tenure. He may look and sound privileged, but Eph is right out of gun-rack, Bible-thumping rural Alabama. His beloved Devon, though, has become a place of warring tribes, and there are landmines waiting for Eph that he is unequipped to see. The cultural rules are changing fast.

Lulu Harris is an entitled freshman - er, *first year* - from Manhattan. Her singular ambition is to be a prominent socialite - an It Girl." While most would kill for a place at Devon, to her college is a dreary impediment. She is pleasantly surprised to find some people she can tolerate in the Fellingham Society, a group of self-professed campus monarchists. When things become socially difficult, Lulu is forced to re-channel her ambition in a most unexpected way - as a militant feminist. In the process, she and Eph will find their fates at odds.

Also in the mix is Red Wheeler, who is in his seventh year at Devon, and is carefully managing his credits to stay longer. As the alpha dog atop Devon's progressive hierarchy, Red is the most "woke" guy on campus. But when his position is threatened, he must take measures.

All paths collide in a riotous climax. *Campusland* is a timely and gleeful skewering of the modern American campus and its tribal culture.

### Vendetta in Death

An Eve Dallas Novel (In Death, Book 49)

by J. D. Robb

**The predator becomes the prey in the newest thriller in the #1 New York Times bestselling series featuring homicide detective Eve Dallas.**

She calls herself Lady Justice. And once she has chosen a man as her target, she turns herself into a tall blonde or a curvaceous redhead, makes herself as alluring and seductive as possible to them. Once they are in her grasp, they are powerless.

The first victim is wealthy businessman Nigel McEnroy. His company's human resources department has already paid out settlements to a couple of his young victims - but they don't know that his crimes go far beyond workplace harassment. Lady Justice knows. And in one shocking night of brutality, she makes him pay a much steeper price.

Now Eve Dallas and her husband, Roarke, are combing through the evidence of McEnroy's secret life. His compulsive need to record his misdeeds provides them with a wide range of suspects, but the true identity of Lady Justice remains elusive. It's a challenging case, made even more difficult by McEnroy's widow, who reacts to the investigation with fury, denial, and threats. Meanwhile, Lady Justice's criminal crusade is escalating rapidly, and if Eve can't stop this vigilante, there's no telling how much blood may be spilled. . .

## Nothing Ventured

by Jeffrey Archer

***Nothing Ventured* heralds the start of a brand new series in the style of Jeffrey Archer's #1 New York Times bestselling Clifton Chronicles: introducing Detective William Warwick. But this is not a detective story, this is a story about the making of a detective . . .**

William Warwick has always wanted to be a detective, and decides, much to his father's dismay, that rather than become a lawyer like his father, Sir Julian Warwick QC, and his sister Grace, he will join London's Metropolitan Police Force.

After graduating from university, William begins a career that will define his life: from his early months on the beat under the watchful eye of his first mentor, Constable Fred Yates, to his first high-stakes case as a fledgling detective in Scotland Yard's arts and antiquities squad. Investigating the theft of a priceless Rembrandt painting from the Fitzmolean Museum, he meets Beth Rainsford, a research assistant at the gallery who he falls hopelessly in love with, even as Beth guards a secret of her own that she's terrified will come to light.

While William follows the trail of the missing masterpiece, he comes up against suave art collector Miles Faulkner and his brilliant lawyer, Booth Watson QC, who are willing to bend the law to breaking point to stay one step ahead of William. Meanwhile, Miles Faulkner's wife, Christina, befriends William, but whose side is she really on?

This new series introduces William Warwick, a family man and a detective who will battle throughout his career against a (...)

## Toil & Trouble

A Memoir

by Augusten Burroughs

**From the number one New York Times bestselling author comes another stunning memoir that is tender, touching...and just a little spooky.**

"Here's a partial list of things I don't believe in: God. The Devil. Heaven. Hell. Bigfoot. Ancient Aliens. Past lives. Vampires. Zombies. Homeopathy. Note that "witches" and "witchcraft" are absent from this list. When really they should be right there at the top. The thing is, I wouldn't believe in them, and I would privately ridicule any idiot who did, except for one thing: I am a witch." - From *Toil & Trouble*

For as long as Augusten Burroughs could remember, he knew things he shouldn't have known. He manifested things that shouldn't have come to pass. And he told exactly no one about this, save one person: his mother. His mother reassured him that it was all perfectly normal, that he was descended from a long line of witches, going back to the days of the Pendle witches of Lancashire, England. It was a bond that he and his mother shared - until the day she left him in the care of her psychiatrist to be raised in his family (but that's a whole other story). After that, Augusten was on his own. From the hilarious to the terrifying, *Toil & Trouble* is a chronicle of one man's journey to understand himself, to reconcile the powers he can wield with things with which he is helpless. There are very few coincidences (...)

He is also the author of the novel *Sellelevision*, which is currently in development for film. The film version of *Running with Scissors*, directed by Ryan Murphy and produced by Brad Pitt, was released in October 2006 and starred Joseph Cross, Brian Cox, Annette Bening (nominated for a Golden Globe for her role), Alec Baldwin and Evan Rachel Wood. Augusten's writing has appeared in numerous magazines and newspapers around the world including *The New York Times* and *New York Magazine*. In 2005 *Entertainment Weekly* named him one of The 25 Funniest People in America." He resides in New York City and Western Massachusetts.

## 29 Seconds

by T. M. Logan

From T.M. Logan, the bestselling author of *Lies*, comes *29 Seconds*, a sensational new thriller that explores what happens when a split second thought of revenge takes on a life of its own.

*Give me one name. One person. And I will make them disappear."*

Sarah is a young professor struggling to prove herself in a workplace controlled by the charming and manipulative Alan Hawthorne, a renowned scholar and television host. The beloved professor rakes in million-dollar grants for the university where Sarah works - so his inappropriate treatment of female colleagues behind closed doors has gone unchallenged for years. And Sarah is his newest target.

When Hawthorne's advances become threatening, she's left with nowhere to turn. Until the night she witnesses an attempted kidnapping of a young child on her drive home, and impulsively jumps in to intervene. The child's father turns out to be a successful businessman with dangerous connections - and her act of bravery has put this powerful man in her debt. He lives by his own brutal code, and all debts must be repaid. In the only way he knows how. The man gives Sarah a burner phone and an unbelievable offer. A once-in-a-lifetime deal that can make all her problems disappear.

No consequences. No traces. No chance of being found out. All it takes is a 29-second phone call.

Because everyone has a name to give. Don't they?

## For the Love of Men

A New Vision for Mindful Masculinity

by Liz Plank

**A nonfiction investigation into masculinity, *For The Love of Men* provides actionable steps for how to be a man in the modern world, while also exploring how being a man in the world has evolved.**

In 2019, traditional masculinity is both rewarded and sanctioned. Men grow up being told that boys don't cry and dolls are for girls (a newer phenomenon than you might realize - gendered toys came back in vogue as recently as the 80s). They learn they must hide their feelings and anxieties, that their masculinity must constantly be proven. They must be the breadwinners, they must be the romantic pursuers. This hasn't been good for the culture at large: 99% of school shooters are male; men in fraternities are 300% (!) more likely to commit rape; a woman serving in uniform has a higher likelihood of being assaulted by a fellow soldier than to be killed by enemy fire.

In *For the Love of Men*, Liz offers a smart, insightful, and deeply-researched guide for what we're all going to do about toxic masculinity. For both women looking to guide the men in their lives and men who want to do better and just don't know how, *For the Love of Men* will lead the conversation on men's issues in a society where so much is changing, but gender roles have remained strangely stagnant.

What are we going to do about men? Liz Plank has the answer. And it has the possibility to change the world for men and women alike.

## There's No Plan B for Your A-Game

Be the Best in the World at What You Do

by Bo Eason

**A dynamic four-step plan for ordinary people to reach any goal by a former NFL All-Pro, playwright, and acclaimed motivational speaker to Fortune 500 companies.**

Can you become the best in the world at what you do? This book shows you how.

At nine years old, Bo Eason set a goal: to become the best free safety in the NFL. A scrawny kid, in a small town with no youth sports tradition, he was at first rejected by both his high school and college teams. But he went all in on his dream, was drafted by the Houston Oilers in 1984, and became an All-Pro. When his football career ended, he set a new goal: to become a great stage actor. Again, with no background in theater, he faced enormous obstacles. But he rehearsed constantly, sought out Al Pacino for career guidance, and then wrote and acted in a one-man play that *The New York Times* called one of the most powerful plays in the last decade," which ran off-Broadway and toured in 50 cities.

Then he set himself yet another goal: to use his experience to teach others how to achieve their dreams and transform their lives. Bo Eason is now one of the most in-demand motivational speakers in the world, with numerous Fortune 500 company clients, who inspires audiences in the tens of thousands each year.

Now, in his first book, Bo Eason shows anyone how to be the best in the world at (...)

### A Hero Born

by Jin Yong, translated by Anna Holmwood

The epic Chinese classic and phenomenon published in the US for the first time!

**A fantastical generational saga and kung fu epic, *A Hero Born* is the classic novel of its time, stretching from the Song Empire (China 1200 AD) to the appearance of a warlord whose name will endure for eternity: Genghis Khan. Filled with an extraordinary cast of characters, *A Hero Born* is a tale of fantasy and wonder, love and passion, treachery and war, betrayal and brotherhood.**

**And then a hero is born. . .**

After his father, a Song patriot, was murdered, Guo Jing and his mother fled to the plains and joined Ghengis Khan and his people. Loyal, humble and driven, he learned all he could from the warlord and his army in hopes of one day joining them in their cause. But what Guo Jing doesn't know is that he's destined to battle an opponent that will challenge him in every way imaginable and with a connection to his past that no one envisioned.

With the help and guidance of his shifus, The Seven Heroes of the South, Guo Jing returns to China to face his foe and carry out his destiny. But in a land divided by treachery and war, betrayal and ambition, he'll have to put his courage and knowledge to the test to survive.

## Darkdawn

Book Three of the Nevernight Chronicle

by Jay Kristoff

**The epic conclusion of the internationally bestselling Nevernight Chronicle from New York Times bestselling author Jay Kristoff.**

The greatest games in Godsgrave's history have ended with the most audacious murders in the history of the Itreyan Republic.

Mia Corvere, gladiatii, escaped slave and infamous assassin, is on the run. Pursued by Blades of the Red Church and soldiers of the Luminatii legion, she may never escape the City of Bridges and Bones alive. Her mentor Mercurio is now in the clutches of her enemies. Her own family wishes her dead. And her nemesis, Consul Julius Scaeva, stands but a breath from total dominance over the Republic.

But beneath the city, a dark secret awaits. Together with her lover Ashlinn, brother Jonnen and a mysterious benefactor returned from beyond the veil of death, she must undertake a perilous journey across the Republic, seeking the final answer to the riddle of her life. Truedark approaches. Night is falling on the Republic for perhaps the final time.

Can Mia survive in a world where even daylight must die?

*New York Times* and internationally bestselling author Jay Kristoff's writing has been praised by critics and readers alike and has won many awards, including four Aurealis Awards, an ABIA, and David Gemmell Morningstar and Legend awards.

Launching the *Nevernight* fantasy series, Kristoff (the Lotus War trilogy) creates a splendid world of corruption and violence. Kristoff portrays a world as rife with villains and treachery as the ancient Italian civilizations it echoes. Absorbing in its complexity and bold in its bloodiness, this beginning promises (and delivers) equal shares of beauty (...)

## An Unorthodox Match

by Naomi Ragen

**A powerful and moving novel of faith, love, and acceptance, from the international bestselling author of *The Devil in Jerusalem*.**

Yaakov is a man of God, a father, a Talmud scholar, and a widower. After failing to save his wife's life, he is struggling both financially and spiritually. Lola is a woman from the secular world who has suffered terrible tragedy and hardship in her life. To find her place she has turned to God and the Orthodox community in Brooklyn. She now goes by the name of Leah.

Yaakov needs help to keep his home and his children in order; Leah needs a purpose and a place in the Orthodox community. They both need a partner in life, a perfect match. But the instant chemistry they share is fraught with drama and prohibition. Forces are against them while necessity pushes them together. And then there is the possibility - will love win, or won't it?

## An Elephant in My Kitchen

What the Herd Taught Me About Love, Courage, and Survival  
by Francoise Malby-Anthony and Katja Willemssen

**A heart-warming sequel to the international bestseller *The Elephant Whisperer*, by Lawrence Anthony's wife Francoise Malby-Anthony.**

A chic Parisienne, Francoise never expected to find herself living on a South African game reserve. But then she fell in love with conservationist Lawrence Anthony and everything changed. After Lawrence's death, Francoise faced the daunting responsibility of running Thula Thula without him. Poachers attacked their rhinos, their security team wouldn't take orders from a woman and the authorities were threatening to cull their beloved elephant family. On top of that, the herd's feisty new matriarch Frankie didn't like her.

In this heart-warming and moving book, Francoise describes how she fought to protect the herd and to make her dream of building a wildlife rescue center a reality. She found herself caring for a lost baby elephant who turned up at her house, and offering refuge to traumatized orphaned rhinos, and a hippo called Charlie who was scared of water. As she learned to trust herself, she discovered she'd had Frankie wrong all along.

Filled with extraordinary animals and the humans who dedicate their lives to saving them, *An Elephant in My Kitchen* is a captivating and gripping read.

## Author Bio

FRANCOISE MALBY-ANTHONY founded the Thula Thula game reserve in 1998 with her late husband, the renowned conservationist and internationally bestselling author Lawrence Anthony. When Lawrence died in 2012, Francoise took over the running of the reserve and is equally passionate about conservation. She was the driving force behind setting up a wildlife rehabilitation center at the reserve to care for orphaned animals. She currently resides in South Africa.

KATJA WILLEMSSEN was born in Holland, grew up in South Africa and now lives in France. A full-time writer, she is the author of the thriller *Shepherd's Prayer*. *An Elephant in My Kitchen* is her first work of nonfiction.

## **A Wild and Precious Life**

A Memoir

by Edie Windsor and Joshua Lyon

**A lively, intimate memoir from an icon of the gay rights movement, describing gay life in 1950s and 60s New York City and her longtime activism which opened the door for marriage equality.**

Edie Windsor became internationally famous when the Supreme Court ruled in her favor in her case seeking recognition from the US government for her marriage to her partner Thea Spyer. The ruling set the stage for marriage equality in the US and vaulted Edie into the spotlight. Edie embraced her role as a leader in the LGBT community; she had been living a groundbreaking life for decades. In this memoir, which she began before her death in 2017 and which was completed by her co-writer, Edie recounts her childhood in Philadelphia, her realization that she was a lesbian, and her active social life in Greenwich Village's underground gay scene. In the midst of dancing and breaking hearts all over town, Edie worked her way up to be one of the first female programmers for IBM, achieving their highest technical ranking, and was instrumental in developing their software. In the early 1960s Edie met Thea Spyer, an expat from a Dutch Jewish family that fled the Nazis, and a widely-respected psychologist. Their partnership lasted forty-six years, until Thea's death in 2009. Edie found love again, marrying Judith Kasen in 2016. A remarkable portrait of an iconic woman, gay life in New York in the second half of the twentieth century, and the rise of LGBT activism.

## **Author Bio**

Edie Windsor was an American LGBT rights activist and a technology manager at IBM. She was the lead plaintiff in the Supreme Court of the United States case *United States v. Windsor*, which successfully overturned Section 3 of the Defense of Marriage Act, which provided that the term "spouse" only applied to marriages between a man and woman, and was considered a landmark legal victory for the same-sex marriage movement in the United States.

In 2013 she was the Grand Marshal of the New York City LGBT Pride March and the runner-up, to Pope Francis, for Time Magazine's Person of the Year. Edie died from complications from surgery on September 12, 2017. She is survived by her second wife, Judith Kasen.

Joshua Lyon is an American journalist and author. He is the author of *Pill Head: The Secret Life of a Painkiller Addict* and has ghostwritten several *New York Times* bestselling memoirs. He lives in Brooklyn, New York.

## Conde Nast

The Man and His Empire - A Biography

by Susan Ronald

**The first biography in over thirty years of Conde Nast, the pioneering publisher of *Vogue* and *Vanity Fair* and main rival to media magnate William Randolph Hearst.**

Conde Nast's life and career was as high profile and glamorous as his magazines. Moving to New York in the early twentieth century with just the shirt on his back, he soon became the highest paid executive in the United States, acquiring *Vogue* in 1909 and *Vanity Fair* in 1913. Alongside his editors, Edna Woolman Chase at *Vogue* and Frank Crowninshield at *Vanity Fair*, he built the first-ever international magazine empire, introducing European modern art, style, and fashions to an American audience. Credited with creating the cafe society," Nast became a permanent fixture on the international fashion scene and a major figure in New York society. His superbly appointed apartment at 1040 Park Avenue, decorated by the legendary Elsie de Wolfe, became a gathering place for the major artistic figures of the time. Nast launched the careers of icons like Cecil Beaton, Clare Boothe Luce, Lee Miller, Dorothy Parker and Noel Coward. He left behind a legacy that endures today in media powerhouses such as Anna Wintour, Tina Brown, and Graydon Carter.

Written with the cooperation of his family on both sides of the Atlantic and a dedicated team at Conde Nast Publications, critically acclaimed biographer Susan Ronald reveals the life of an extraordinary American success story.

## Renia's Diary

A Holocaust Journal

by Renia Spiegel

**The long-hidden diary of a young Polish woman's last days during the Holocaust, translated for the first time into English, with a foreword from American Holocaust historian Deborah Lipstadt.**

Renia Spiegel was a young girl from an upper-middle class Jewish family living on an estate in Stawki, Poland, near what was at that time the border with Romania. In the summer of 1939, Renia and her sister Elizabeth (nee Ariana) were visiting their grandparents in Przemysl, right before the Germans invaded Poland.

Like Anne Frank, Renia recorded her days in her beloved diary. She also filled it with beautiful poetry she composed herself. She grew up, fell in love, and survived until 1942, when she was rounded up by the invading Nazis and forced to move to the ghetto in Przemysl with all other Jews. Renia was in the ghetto for two weeks, where she documented the horrors she faced in her diary. On July 28, 1942, her boyfriend, Zygmunt found a hiding place for Renia and his parents in the attic of a three-story tenement house. A day later, Zygmunt took Elizabeth out of the ghetto to stay with the Polish Leszczynski family, where she remained safe. The next day, Renia and Zygmunt's parents were discovered hiding in the tenement house. They were murdered in front of the building by Nazis. Zygmunt survived to write the account of their death in her diary, and to finish Renia's story.

## Radical Candor

Revised edition

by Kim Scott

*A revised edition of Kim Scott's perennial bestseller that created a cultural revolution and took workplaces worldwide by storm.*

**Radical Candor is back with an all new foreword, afterword, FAQ, and radically candid performance review.**

From the time we learn to speak, we're told that if you don't have anything nice to say, don't say anything at all. When you become a manager, it's your job to say it - and your obligation.

Author Kim Scott was an executive at Google and then Apple, where she worked with a team to develop a class on how to be a good boss. What emerged was her vital new approach to effective management, Radical Candor.

Radical Candor is a simple idea: to be a good boss, you have to Care Personally at the same time that you Challenge Directly. When you challenge without caring it's obnoxious aggression; when you care without challenging it's ruinous empathy. When you do neither it's manipulative insincerity. This simple framework can help you build better relationships at work, and fulfill your three key responsibilities as a leader: creating a culture of feedback, building a cohesive team, and achieving results you're all proud of. *Radical Candor* offers a guide to those bewildered or exhausted by management, for bosses and those who manage bosses. Taken from the author's experience and giving actionable lessons to the reader, it shows (...)

## The Furies

by Katie Lowe

**This page-turning, harrowing debut is the story of a girl trying to fit in, whose obsessive new friends and desperation to belong leads her to places she'd never imagined. . . dark, dangerous, and possibly even violent.**

In 1998, a sixteen-year-old girl is found dead on her boarding school's property, dressed in white and posed on a swing, with no known cause of death. What happened to her? And what do her friends know? To find out, it is necessary to go back to the beginning.

The school is Elm Hollow Academy, an all-girl's boarding school located in a sleepy coastal town, with a long-buried grim history of 17th century witch trials. A new student, Violet, joins the school, and soon finds herself invited to become the fourth member of an advanced study group, led by the alluring and mysterious art teacher Annabel.

Annabel does her best to convince the girls that her classes aren't related to ancient rites and rituals, and that they are just mythology. But the more she tries to warn the girls off the topic, the more the girls start to believe that magic is real and that they have the power to harness it.

Violet quickly finds herself wrapped up in this addictive new world. But when she comes to learn about the disappearance of a former member of the society, one with whom Violet shares an uncanny resemblance, she begins to wonder who she can trust, all the while becoming more deeply entangled in her newfound friendships.

Was it suicide, or a foul play more sinister? How far will these young girls go to protect one another. . . or to destroy one another?

## Secrets of the Chocolate House

by Paula Brackston

**The second novel in a bewitching series brimming with charm and charisma" that will make "fans of *Outlander* rejoice!" ( *Woman's World Magazine* )**

*New York Times* bestselling author Paula Brackston's *The Little Shop of Found Things* was called "a page-turner that will no doubt leave readers eager for future series installments" ( *Publishers Weekly* ). Now, Brackston returns to the Found Things series with its sequel, *Secrets of the Chocolate House* . After her adventures in the seventeenth century, Xanthe does her best to settle back into the rhythm of life in Marlborough. She tells herself she must forget about Samuel and leave him in the past where he belongs. With the help of her new friends, she does her best to move on, focusing instead on the success of her and Flora's antique shop.

But there are still things waiting to be found, still injustices needing to be put right, still voices whispering to Xanthe from long ago about secrets wanting to be shared.

While looking for new stock for the shop, Xanthe hears the song of a copper chocolate pot. Soon after, she has an upsetting vision of Samuel in great danger, compelling her to make another journey to the past.

This time she'll meet her most dangerous adversary. This time her ability to travel to the past will be tested. This time she will discover her true destiny. Will that destiny allow her to return home? And will she be able to save Samuel when his own fate seems to be sealed?

### Author Bio

PAULA BRACKSTON is the *New York Times* bestselling author of *The Witch's Daughter* and *The Little Shop of Found Things*, among others. Before becoming a writer, she was a horse groom, a travel agent, a secretary, a teacher, and a goat herder. Everyone (particularly the goats) is relieved that she's found a job she does properly. When not in her writer's shed, Paula can be found being walked by the dog, hacking through weeds in her vegetable patch, or sitting by the pond with a glass of wine. She lives in Wales with her family.

## Troubled Water

What's Wrong With What We Drink

by Seth M. Siegel

***New York Times* bestselling author Seth Siegel tells how contaminants got in our drinking water, what they're doing to us, and what we must do to make our water safe.**

If you thought America's drinking water problems started and ended in Flint, Michigan, think again. From big cities and suburbs to the rural heartland, chemicals linked to cancer, heart disease, obesity, birth defects, and lowered IQ routinely spill from our taps.

Many are to blame: the EPA, Congress, a bipartisan coalition of powerful governors and mayors, chemical companies, and drinking water utilities - even NASA and the Pentagon. Meanwhile, the bottled water industry has been fanning our fears about tap water, but bottled water is often no safer. The tragedy is that existing technologies could launch a new age of clean, healthy, and safe tap water for only a few dollars a week per person.

Scrupulously researched, *Troubled Water* is full of shocking stories about contaminated water found throughout the country and about the everyday heroes who have successfully forced changes in the quality and safety of our drinking water. And it concludes with what America must do to reverse decades of neglect and play-it-safe inaction by government at all levels in order to keep our most precious resource safe

## Twenty-one Truths About Love

A Novel

by Matthew Dicks

From the beloved author of *Memoirs of an Imaginary Friend* comes a wonderful new novel about a struggling man, written entirely in lists.

1. Daniel Mayrock loves his wife Jill. . . more than anything.
2. Dan quit his job and opened a bookshop.
3. Jill is ready to have a baby.
4. Dan is scared; the bookshop isn't doing well. Financial crisis is imminent.
5. Dan hasn't told Jill about their financial trouble. He's ashamed.
6. Then Jill gets pregnant.

This heartfelt story is about the lengths one man will go to and the risks he will take to save his family. But Dan doesn't just want to save his failing bookstore and his family's finances - he wants to become someone.

1. Dan wants to do something special.
2. He's a man who is tired of feeling ordinary.
3. He's sick of feeling like a failure.
4. Of living in the shadow of his wife's deceased first husband.

Dan is also an obsessive list maker, and his story unfolds entirely in his lists, which are brimming with Dan's hilarious sense of humor, unique world-view, and deeply personal thoughts. When read in full, his lists paint a picture of a man struggling to be a man, a man who has reached a point where he's willing to anything for the love (and soon-to-be new love) of his life.

## Extraordinary Dogs

Stories from Search and Rescue Dogs, Comfort Dogs, and Other Canine Heroes  
by Liz Stavriniades

**A beautiful photo book showcasing more than 50 heroic dogs in uniform" and their stories, from photographer Liz Stavriniades and author John Schlimm.**

*Extraordinary Dogs* portrays more than fifty working dogs, along with the police officers, firefighters, veterans, and other trained volunteer handlers who serve side-by-side with them. Their moving stories and beautiful photographs are an unprecedented glimpse at Comfort Dogs and Search and Rescue Dogs, along with bomb-detecting TSA dogs and canine ambassadors from across the United States.

\* The stories of the Lutheran Church Charities K-9 Comfort Dogs take readers behind the scenes of their headlining deployments - such as the Boston Marathon bombing, Superstorm Sandy, and the mass shootings at Marjory Stoneman Douglas High School.

\* Search and Rescue K-9 teams reveal what it's really like to travel into the eye of natural disasters, accidents, crime scenes, and the worst terrorist strike in recorded history.

\* At Washington Dulles International Airport, readers meet several of the Department of Homeland Security's TSA dogs whose sole job it is to keep the flying public safe from explosives and other dangers.

*Extraordinary Dogs* is both a portrait of what love, hope, courage, and heroism look like in their purest forms and a tribute to the eternal and impactful bonds we forge with our furry friends.

## A Marvelous Life

The Amazing Story of Stan Lee

by Danny Fingeroth

The comprehensive biography of STAN LEE, father of SPIDER-MAN and THE AVENGERS, beloved comicbook writer and editor, and former president and publisher of Marvel Comics, by Lee's colleague of over four decades.

Stan Lee co-created SPIDER-MAN! And IRON MAN! And the HULK! And the X-MEN! And more than 500 other iconic characters! His name has appeared on more than a billion comic books, in 75 countries, in 25 languages. His superheroes have starred in multibillion-dollar grossing movies and TV series. This is the story of how Stanley Martin Lieber, a poor kid from Washington Heights became STAN LEE, international legend.

**Danny Fingeroth (comics industry veteran, author, and longtime Stan Lee friend and colleague)** writes a comprehensive biography of this powerhouse of ideas who changed the world's understanding of what a hero is and how a story should be told, while exploring Lee's unique path to becoming the face of comics.

With behind-the-scenes stories and sourced with exclusive, new interviews with Lee himself and other legendary comics and media figures, *A Marvelous Life* has insights and revelations that only an insider like Fingeroth can offer. Fingeroth, himself a longtime writer and editor at Marvel Comics and now a lauded pop culture critic and historian, knew and worked closely with Stan Lee for over forty years. Fingeroth is able to put Lee's life and work in a context that makes events and actions come to life as no other writer could.

## RIP GOP

How the New America Is Dooming the Republicans  
by Stanley B. Greenberg

**A demographic expert and longtime pollster to national and international political stars explains why the Republican party, despite Trump's election, is about to collapse.**

In the mad rush to document the tangled, confusing, raucous present of the United States government, a little thing is lost in the shuffle: the future. How long can this last? What happens next? Where do we go from here? Stanley Greenberg argues that the election of Trump is in fact the dying gasp of the Republican party. Rejecting the urging of their own consultants to build bridges and embrace new voters across the lines of identity politics, the GOP has constricted. It has retreated to what seems to be the safety of the evangelical white male voter.

The problem for them is that this won't be a safe zone for long. Try as some might to drag the United States backward with reactionary movements and a politics of division, the country marches steadfastly on into the 21st century. The power of democracy will soon prevail, and unless the party adapts, America will bury the GOP the way it did the Know Nothings.

## When Reagan Sent In the Marines

The Invasion of Lebanon

by Patrick J. Sloyan

**From a Pulitzer Prize-winning journalist who reported on the events as they happened, an action-packed account of Reagan's failures in the 1983 Marines barracks bombing in Beirut.**

On October 23, 1983, a truck bomb destroyed the U.S. Marines barracks in Beirut. 241 Americans were killed in the worst terrorist attack our nation would suffer until 9/11. We're still feeling the repercussions today.

*When Reagan Sent In The Marines* tells why the Marines were there, how their mission became confused and compromised, and how President Ronald Reagan used another misguided military venture to distract America the attack and his many mistakes leading up to it.

Pulitzer Prize-winning author Patrick J. Sloyan uses his own contemporaneous reporting, his close relationships with the Marines in Beirut, recently declassified documents, and interviews with key players, including Reagan's top advisers, to shine a new light on the Israeli invasion of Lebanon and Reagan's doomed ceasefire in Beirut.

Sloyan draws on interviews with key players to explore the actions of Kissinger and Haig, while revealing the courage of Marine Colonel Timothy Geraghty, who foresaw the disaster in Beirut, but whom Reagan would later blame for it.

More than thirty-five years later, America continues to wrestle with Lebanon, the Marines with the legacy of the Beirut bombing, and all of us with the threat of Mideast terror that the attack furthered. *When Reagan Sent In The Marines* is a about a historical moment, but one that remains all too present today.

## The Rise of Magicks

Chronicles of The One, Book 3

by Nora Roberts

**The #1 *New York Times* bestselling author of *Year One* and *Of Blood and Bone* concludes her stunning new trilogy praised as A match for end-of-the-world classics like Stephen King's *The Stand* ."**

After the sickness known as the Doom destroyed civilization, magick has become commonplace, and Fallon Swift has spent her young years learning its ways. Fallon cannot live in peace until she frees those who have been preyed upon by the government or the fanatical Purity Warriors, endlessly hunted or locked up in laboratories, brutalized for years on end. She is determined to save even those who have been complicit with this evil out of fear or weakness - if, indeed, they can be saved.

Strengthened by the bond she shares with her fellow warrior, Duncan, Fallon has already succeeded in rescuing countless shifters and elves and ordinary humans. Now she must help them heal - and rediscover the light and faith within themselves. For although from the time of her birth, she has been The One, she is still only one. And as she faces down an old nemesis, sets her sights on the enemy's stronghold, and pursues her destiny - to finally restore the mystical shield that once protected them all - she will need an army behind her.

## No Ordinary Dog

My Partner from the SEAL Teams to the Bin Laden Raid  
by Willard Chesney and Joe Layden

**The powerful true story of a SEAL Team Six member and military dog handler, and the dog that saved his life.**

Two dozen Navy SEALs descended on Osama bin Laden's compound in May 2011. After the mission, only one name was made public: Cairo, a Belgian Malinois and military working dog. This is Cairo's story, and that of his handler, Will Chesney, a member of SEAL Team Six whose life would be irrevocably tied to Cairo's.

Starting in 2008, when Will was introduced to the DEVGRU canine program, he and Cairo worked side by side, depending on each other for survival on hundreds of critical operations in the war on terrorism. But their bond transcended their service. Then, in 2011, the call came: *Pick up your dog and get back to Virginia. Now.*

What followed were several weeks of training for a secret mission. It soon became clear that this was no ordinary operation. Cairo was among the first members of the U.S. military on the ground in Pakistan as part of Operation Neptune Spear, which resulted in the successful elimination of bin Laden. As Cairo settled into a role as a reliable spare dog, Will went back to his job as a DEVGRU operator, until a grenade blast in 2013 left him with a brain injury and PTSD. Unable to participate in further missions, he suffered from crippling migraines, chronic pain, memory issues, and depression. Modern medicine provided only modest relief. Instead, it was up to Cairo to save Will's life once more - and then up to Will to be there when Cairo (...)

## One Step Ahead

The Counterintuitive Science of Negotiation

by David Sally

**Why everything you've learned about negotiating is wrong, and how to do it right, by an acclaimed teacher and practitioner of the art.**

For the last twenty years, David Sally has taught negotiation at leading business schools and to executives at top companies worldwide, and now he wants to share his secrets and the science behind them. Negotiation, he argues, is best thought of as a strategic game in which you should be exactly one step ahead of your opponent. Drawing parallels to everything from the NBA to the corner con game and rooted in Sally's own breakthrough research, *One Step Ahead* introduces a revolutionary way of approaching negotiation. Readers will learn:

- When and when *not* to negotiate
- How to be an effective performer during your negotiation
- How to lead the negotiation
- Which of your personality traits will help you in a negotiation and how to cultivate them
- How to be tough and fair
- How gender affects the way we negotiate and how to overcome it

Through the stories of quirky and often misunderstood historical characters - all high-level social operatives - Sally delivers negotiation tactics that upend conventional wisdom and offers a new and nuanced approach that applies in any situation. We'll see how thinkers from Machiavelli to Gandhi made invaluable contributions to the science of negotiation and how master negotiators, such as Chicago billionaire Sam Zell and wartime hostage negotiator Giandomenico Picco, honed their craft.

## Author Bio

DAVID SALLY is an innovative strategist and behavioral economist. In 1995, he received his PhD in Economics from the University of Chicago Booth School of Business. His research in behavioral game theory has been widely published and informed his award-winning teaching of negotiations and leadership at Cornell's Johnson School and Dartmouth's Tuck School of Business. In 2011 David co-founded Anderson Sally LLC, one of the world's first soccer analytics consulting companies, where he helps clients make the right investments and find a sustainable competitive advantage.

## Manhunters

How We Took Down Pablo Escobar, the World's Most Wanted Criminal

by Steve Murphy and Javier F. Peña

**The explosive memoir of legendary DEA agents and the subject of the hit Netflix series *Narcos*, Steve Murphy and Javier F. Peña**

In the decades they spent at the DEA, Javier Peña and Steve Murphy risked their lives hunting large and small drug traffickers. But their biggest challenge was the hunt for Pablo Escobar in Colombia. The partners, who began their careers as small-town cops, have been immortalized in Netflix's *Narcos*, a fictional account of their hunt for Escobar.

Now, for the first time ever, they tell the real story of how they brought down the world's first narco-terrorist, the challenges they faced, and the innovative strategies they employed to successfully end the reign of terror of the world's most wanted criminal.

Readers will go deep inside the inner workings of the Search Bloc, the joint Colombian-US task force that resulted in an intensive 18-month operation that tracked Escobar. Between July 1992 and December 1993, Steve and Javier lived on the edge, setting up camp in Medellín at the Carlos Holguín Military Academy. There, they lived and worked with the Colombian authorities, hunting down a man who was thought by many to be untouchable. Their firsthand experience coupled with stories from the DEA's recently de-classified files on the search for Escobar forms the beating heart of *Manhunters*, an epic account of how two American agents risked everything to capture the world's most wanted man.

## Author Bio

JAVIER PENA was hired by the DEA in 1984 as a special agent, and spent four years tracking Pablo Escobar with partner Steve Murphy.

STEVE MURPHY worked undercover sting operations in Miami, and was eventually dispatched to Colombia where he worked with partner Javier Peña to track Escobar.

## Anything for You

A Novel

by Saul Black

**Critically acclaimed author Saul Black returns with a heart-racing thriller in which a brutal murder forces one woman to reckon with her own past - and her future.**

On a hot summer night, a watchful neighbor locks eyes with an intruder and unwittingly alerts the police to a vicious crime scene next door: a lavish master bedroom where a man lies dead. His wife is bleeding out onto the hardwood floor, clinging to life.

The victim, Adam Grant, was a well-known San Francisco prosecutor - a man whose connection to Homicide detective Valerie Hart brings her face-to-face with a life she's long since left behind. Adam's career made him an easy target, and forensic evidence points towards an ex-con he put behind bars years ago. But while Adam's wife and daughter grapple with their tragic loss, Valerie uncovers devastating clues that point in a more ominous direction. Lurking in the shadows of the Grants' pristine life is a mysterious blonde who holds the key to a dangerous past.

As Valerie struggles to forge a new path for herself, the investigation forces her to confront the question: can we ever really leave our pasts behind? Sophisticated and stunning, *Anything for You* is an unforgettable thriller that will grip readers long after turning the last page.

## Revolutionary Brothers

Thomas Jefferson, the Marquis de Lafayette, and the Friendship that Helped Forge Two Nations  
by Tom Chaffin

**In a narrative both panoramic and intimate, Tom Chaffin captures the four-decade friendship of Thomas Jefferson and the Marquis de Lafayette.**

The bond linking Thomas Jefferson and the Marquis de Lafayette constituted a singularly extraordinary friendship, one which played a key role in the making of two revolutions - and two nations. The author of the Declaration of Independence first met Lafayette in 1781, when the young French-born general was dispatched to Virginia to assist Jefferson, then the governor, in fighting off the British. The charismatic Lafayette, hungry for glory on the battlefield, could not have seemed more different from Jefferson, the reserved and philosophical statesman. But when Jefferson, a newly-appointed diplomat, moved to Paris three years later, speaking little French and in need of a diplomatic partner, their friendship began in earnest.

As Lafayette opened doors in Paris and Versailles for the neophyte emissary, so too did Jefferson stand by Lafayette as the Frenchman became inexorably drawn into the maelstrom of his country's revolution. The Virginian offered counsel to the young aristocrat as he drafted *The Declaration of the Rights of Man* and remained a firm supporter of the French Revolution, even after he returned to America in 1789. But Jefferson soon learned that the French Revolution's excesses had led to the persecution of Lafayette and his family. By 1792, the upheaval had rendered him a man without a country, locked away in a succession of Austrian and Prussian prisons. The burden fell on Jefferson - and Lafayette's other friends, including Alexander Hamilton's sister-in-law Angelica Schuyler Church - to win his (...)

## Ian McKellen

A Biography

by Garry O'Connor

### The definitive biography of Sir Ian McKellen from an acclaimed biographer

In 2001, Ian McKellen put on the robe and pointed hat of a wizard named Gandalf and won a place in the hearts of Tolkien fans worldwide. Though his role in the film adaptation of Lord of the Rings introduced him to a new audience, McKellen had a thriving career a lifetime before his visit to Middle Earth. He made his West End acting debut in 1964 in James Saunders's *A Scent of Flowers*, but it was in 1980 that he took Broadway by storm when he played Antonio Salieri in Peter Shaffer's Tony-Award-winning play *Amadeus*. He has starred in over four hundred plays and films and he is that rare character: a celebrity whose distinguished political and social service has transcended his international fame to reach beyond the stage and screen. The breadth of his career - professional, personal and political - has been truly staggering: Macbeth (opposite Judi Dench), Iago, King Lear, Chekhov's Sorin in *The Seagull* and Beckett's tramp Estragon (opposite Patrick Stewart) in *Waiting for Godot*. Add to all this his tireless political activism in the cause of gay equality and you have a veritable phenomenon. Garry O'Connor's *Ian McKellen: A Biography* probes the heart of the actor, recreating his greatest stage roles and exploring his personal life. *Ian McKellen* will show readers what makes a great actor tick. His life story has been a constantly developing drama and this biography is the next chapter.

## Agent Jack

The True Story of MI5's Secret Nazi Hunter

by Robert Hutton

**The never-before-told story of Eric Roberts, who infiltrated a network of Nazi sympathizers in Great Britain in order to protect the country from the grips of fascism**

June 1940: Europe has fallen to Adolf Hitler's army, and Britain is his next target. Winston Churchill exhorts the country to resist the Nazis, and the nation seems to rally behind him. But in secret, some British citizens are plotting to hasten an invasion. *Agent Jack* tells the incredible true story of Eric Roberts, a seemingly inconsequential bank clerk who, in the guise of "Jack King", helped uncover and neutralize the invisible threat of fascism on British shores. Gifted with an extraordinary ability to make people trust him, Eric Roberts penetrated the Communist Party and the British Union of Fascists before playing his greatest role for MI5: Hitler's man in London. Pretending to be an agent of the Gestapo, Roberts single-handedly built a network of hundreds of British Nazi sympathizers - factory workers, office clerks, shopkeepers - who shared their secrets with him. It was work so secret and so sensitive that it was kept out of the reports MI5 sent to Winston Churchill. In a gripping real-world thriller, Robert Hutton tells the fascinating story of an operation whose existence has only recently come to light with the opening of MI5's WWII files. Drawing on these newly declassified documents and private family archives, *Agent Jack* shatters the comforting notion that Britain could never have succumbed to fascism and, consequently, that the world could never have fallen to Hitler. *Agent Jack* is the story of one man who loved his country so much that he risked everything to stand against a rising tide of hate.

### 1973

Rock at the Crossroads

by Andrew Grant Jackson

**A fascinating account of the music and epic social change of 1973, a defining year for David Bowie, Bruce Springsteen, Pink Floyd, Elton John, the Rolling Stones, Eagles, Elvis Presley, and the former members of The Beatles.**

1973 was the year rock hit its peak while splintering - just like the rest of the world. Ziggy Stardust travelled to America in David Bowie's *Aladdin Sane*. *The Dark Side of the Moon* began its epic run on the Billboard charts, inspired by the madness of Pink Floyd's founder, while all four former Beatles scored top ten albums, two hitting #1.

FM battled AM, and Motown battled Philly on the charts, as the era of protest soul gave way to disco, while DJ Kool Herc gave birth to hip hop in the Bronx. The glam rock of the New York Dolls and Alice Cooper split into glam metal and punk. Hippies and rednecks made peace in Austin thanks to Willie Nelson, while outlaw country, country rock, and Southern rock each pointed toward modern country. The Allman Brothers, Grateful Dead, and the Band played the largest rock concert to date at Watkins Glen.

Led Zep's *Houses of the Holy* reflected the rise of funk and reggae. The singer songwriter movement led by Bob Dylan, Neil Young, and Joni Mitchell flourished at the Troubadour and Max's Kansas City, where Bruce Springsteen, Bob Marley, and Iggy Pop shared bill. Elvis Presley's *Aloha from Hawaii Via Satellite* TV special attracted more viewers than the moon landing, while Elton John's (...)

## Upon the Flight of the Queen

by Howard Andrew Jones

**A fast-paced adventure combined with an engrossing mystery, all set in a unique and original fantasy world. I can't wait to find out what happens next!" - Martha Wells, Hugo-award winning author**

In this sequel to *For the Killing of Kings*, Howard Andrew Jones returns to the Nine Realms of the Dendressi in *Upon the Flight of the Queen* to continue this imaginative and fun epic fantasy trilogy.

While the savage Naor clans ready to march on the heart of the Five Realms, Rylin Corimel infiltrates the highest of the enemy ranks to learn their secrets and free hundreds of doomed prisoners. His ailing mentor Varama leads the Altenerai corps in a series of strikes to cripple the Naor. Kyrkenall, Elenai, and the kobalin Ortok ride for the storm-wracked shifting lands to rekindle the alliance with the winged lizards known as ko'aye, the only possible counter to the terrible Naor dragons. Meanwhile, the queen is delving further and deeper into the magic of the mysterious hearthstones, in a frantic attempt to save the realms that just might doom them all.

Praised for his ability to write modern epic fantasy that engrosses and entertains, Howard Andrews Jones delivers a sequel that expands the amazing world, relationships, and adventure that he introduced in the first book of this series.

### Author Bio

When not helping run his small family farm or spending time with his amazing wife and children, HOWARD ANDREW JONES can be found hunched over his laptop or notebook, mumbling about flashing swords and doom-haunted towers. His novels include *The Chronicles of Sword and Sand* ( *The Desert of Souls*, *The Waters of Eternity*, *The Bones of the Old Ones* ) and several *Pathfinders Tales*.

**The Dog I Loved**  
by Susan Wilson

**From the *New York Times* bestselling author of *One Good Dog* comes another heartwarming novel about humans and the dogs that save us.**

Rose Collins is a free woman. After spending years in prison for a murder she didn't commit, Rose has finally been released, and a mysterious benefactor has landed her a job as a project manager on a crumbling estate in Dogtown, an abandoned settlement with a rich history.

With the support of Meghan, a grumpy ex-soldier confined to a wheelchair after an explosion, who she met while training Shark, Meghan's service dog, as part of a prisoner rehabilitation program, Rose begins to rebuild her life. As she settles in at Dogtown and learns more about the original residents - women who often lived alone, with only their dogs for protection - she feels a connection to them, and, for the first time, starts to believe that she might have a chance at a happy ending.

But when secrets from her past begin to emerge and threaten the life Rose has built for herself, she and Meghan must fight for their freedom, happiness, and the chance at redemption.

## **Broke**

You Can't Save a City Without Saving Its Citizens  
by Jodie Kirshner

**A galvanizing, narrative account of a city's bankruptcy and its aftermath told through the lives of seven valiantly struggling Detroiters**

Bankruptcy and the austerity it represents have become a common solution" for struggling American cities. What do the spending cuts and limited resources do to the lives of city residents? In *Broke*, Jodie Adams Kirshner follows seven Detroiters as they navigate life during and after their city's bankruptcy. Reggie loses his savings trying to make a habitable home for his family. Cindy fights drug use, prostitution, and dumping on her block. Lola commutes two hours a day to her suburban job. For them, financial issues are mired within the larger ramifications of poor urban policies, restorative negligence on the state and federal level and - even before the decision to declare Detroit bankrupt in 2013 - the root causes of a city's fiscal demise. Like Matthew Desmond's *Evicted*, *Broke* looks at what municipal distress means, not just on paper but in practical - and personal - terms. More than 40 percent of Detroit's 700,000 residents fall below the poverty line. Post-bankruptcy, they struggle with a broken real estate market, school system, and job market - and their lives have not improved.

Detroit is emblematic. Kirshner makes a powerful argument that cities - the economic engine of America - are never quite given the aid that they need by either the state or federal government for their residents to survive, not to mention flourish. Success for all America's citizens depends on equity of opportunity.

## The Girl in the Photograph

The True Story of a Native American Child, Lost and Found in America

by Byron L. Dorgan

**Through the story of Tamara, an abused Native American girl, North Dakota Senator Byron Dorgan tells the story of the many children living on Indian reservations.**

On a winter morning in 1990, Senator Byron Dorgan of North Dakota picked up the Bismarck Tribune. On the front page, a small girl gazed into the distance, shedding a tear. The headline: **Foster home children beaten - and nobody's helping**".

Dorgan, who had been working with American Indian tribes to secure resources, was distressed. He flew to the Standing Rock Indian Reservation to meet with five-year-old Tamara and her grandfather. They became friends. Then she disappeared. And he would search for her for decades until they finally found each other again.

This book is her story, from childhood to the present, but it's also the story of a people and a nation. More than one in three American Indian/Alaskan Native children live in poverty. AI/AN children are disproportionately in foster care and awaiting adoption. Suicide among AI/AN youth ages 15 to 24 is 2.5 times the national rate. How have we allowed this to happen?

As distressing a situation as it is, this is also a story of hope and resilience. Dorgan, who founded the Center for Native American Youth at the Aspen Institute, has worked tirelessly to bring Native youth voices to the forefront of policy discussions, engage Native youth in leadership and advocacy, and secure and share resources for Native youth. Readers will fall in love with this heartbreaking story, but end the book knowing what can be done and what they can do.

## Labyrinth of Ice

The Triumphant and Tragic Greely Polar Expedition

by Buddy Levy

**Based on the author's exhaustive research, the incredible true story of the Greely Expedition, one of the most harrowing adventures in the annals of polar exploration.**

In July 1881, Lt. A.W. Greely and his crew of 24 scientists and explorers were bound for the last region unmarked on global maps. Their goal: Farthest North. What would follow was one of the most extraordinary and terrible voyages ever made.

Greely and his men confronted every possible challenge - vicious wolves, sub-zero temperatures, and months of total darkness - as they set about exploring one of the most remote, unrelenting environments on the planet. In May 1882, they broke the 300-year-old record, and returned to camp to eagerly await the resupply ship scheduled to return at the end of the year. Only nothing came.

250 miles south, a wall of ice prevented any rescue from reaching them. Provisions thinned and a second winter descended. Back home, Greely's wife worked tirelessly against government resistance to rally a rescue mission. Months passed, and Greely made a drastic choice: he and his men loaded the remaining provisions and tools onto their five small boats, and pushed off into the treacherous waters. After just two weeks, dangerous floes surrounded them. Now new dangers awaited: insanity, threats of mutiny, and cannibalism. As food dwindled and the men weakened, Greely's expedition clung desperately to life.

*Labyrinth of Ice* tells the true story of the heroic lives and deaths of these voyagers hell-bent on fame and fortune - at any cost - and how their journey changed the world.

*Labyrinth of Ice* is (...)

## Sidney Lumet

His Life and His Films

by Maura Spiegel

*Sidney Lumet: A Life* is the first-ever biography of this seminal American director whose remarkable life traces a line through American entertainment history. His biography takes us from the world of Yiddish theater to Broadway spectacles, then inside the Federal Theater, the Group Theatre, the Actors Studio, and the early golden age" of television -all of which precede Lumet's astonishing five-decades -long adventure in movie making.

Acclaimed as the ultimate New York movie director, Lumet began his directing career with the now classic *12 Angry Men*, and there followed such landmark New York films as *Serpico*, *Dog Day Afternoon* and *Network* . Most noted for contemporary urban dramas, his remarkably varied output included award-winning adaptations of plays by Anton Chekhov, Arthur Miller, Tennessee Williams and Eugene O'Neill, whose *Long Day's Journey into Night* featured Katharine Hepburn and Ralph Richardson in their most devastating performances.

His renown as an "actor's director," attracted an unmatched roster of stars, among them: Henry Fonda, Sophia Loren, Marlon Brando, Anna Magnani, Sean Connery, Ingrid Bergman, Paul Newman, Al Pacino, Ethan Hawke and Philip-Seymour Hoffman, accruing 17 Oscar nods for his actors along the way. His personal life was full of surprises, with four marriages to remarkable women, all of whom opened their living rooms to Sidney's world of artists and performers, from Marilyn Monroe to Leonard Bernstein and Michael Jackson. With the help of exclusive interviews with family, colleagues and friends, author Maura Spiegel provides a vibrant picture of the extraordinary life and work of a director whose influence is felt through generations. This is a book that anyone interested in American film of the twentieth century (...)

## Overthrow

The War with China and North Korea - Fall of an Empire  
by David Poyer

**The United States and their Allied forces struggle to survive world war with China in this compelling, realistic thriller, the next in the Dan Lenson series**

World War III continues in *Overthrow*, the next novel in the acclaimed series featuring Admiral Dan Lenson as the Allies converge against China, North Korea, and Iran in an explosive series of events. Admiral Lenson leads Operation Rupture, the invasion of South China, in a bid to finally end the war and restore peace. Meanwhile, Captain Cheryl Staurulakis fights to take a radical new super ship" to sea, though its power and capability may introduce more risk than reward. In Washington, Dan's wife Blair conducts secret negotiations with a rebellious faction in Beijing, hoping to bring an end to the war, but her plans may be foiled by those who want outright revenge on China, not peace with them. In western China, Teddy Oberg's guerrilla band grows into a major insurgency, and the former SEAL master chief embraces his new role as an Islamic resistance leader. Sergeant Hector Ramos raises the flag of freedom in Taiwan while fighting his own personal demons, and in Seattle Dan's daughter, Nan Lenson, fightsto save the world from a dangerous new epidemic. But as the Allies plot an endgame to the war, the complicated dance of global warfare, on land and at sea, will finally trigger the nuclear Armageddon the entire world has feared for nearly a century.

## Glory, Glory

by Mark Schlabach

The moment has never been better for the UGA Bulldogs as they enter the 2008 season ranked #1 by many in preseason polls. But to find out how the Bulldogs have come to be on the cusp of such success, you have to examine the rich history and incredible depth of the Georgia football program - from the wealth of alums who have gone on to become NFL stars, to the bright potential of two current players with their eyes on the Heisman Trophy; from the legendary, century-old rivalries, to the inspirational Head Coach Mark Richt, who is admired as much for how he lives his life off the field as for what his teams have done on it.

Here, award-winning journalist Mark Schlabach tells the story of the Bulldogs program through the eyes of Georgia's players, coaches, and opponents, through the hearts of the school's rabid fans, and through the recollections of so many of the characters who helped make Georgia football one of the greatest traditions in all of American sports. Like the nationally bestselling *Rammer Jammer Yellow Hammer* and the acclaimed *Rose Bowl Dreams, Glory, Glory* provides an intimate and poignant look at the personalities and history of this compelling program.

## Curious Weather

A Jacob Tracy Novel

by Holly Messinger

On the heels of her starred *Publisher's Weekly* debut, *The Curse of Jacob Tracy*, Messinger delivers another remarkably original novel where she deftly recreates the tumultuous post-Civil War era and clashes the natural with the supernatural.

When Jacob Tracy - Civil War veteran, ex-seminarian, and reluctant psychic - agrees to move into Miss Fairweather's St. Louis mansion and study magic with her, he has one purpose in mind: to hunt down and destroy the necromancer Mereck, a predatory madman who has twice tried to make a meal of Trace and trapped Trace's partner Boz in a monstrous half-life.

Sabine Fairweather has her own grievance with Mereck, though Trace doesn't know the details and doesn't particularly want to. The woman may be a brilliant scientist and a powerful witch in her own right, but there is darkness in her and bitter secrets that threaten the tenuous faith Trace has in her.

With Mereck's minions circling ever closer, and old allies posing unexpected threats, Trace knows he and Sabine have no choice but to trust each other. But for that to happen, he will have to lay bare all the deepest secrets of her soul... and quite possibly her heart.

Praise for *The Curse of Jacob Tracy*:

"Stellar writing and a strong story define Messinger's amazing debut. Messinger's writing is a clinic on how to immerse the reader in a historic setting (such as his details on how 19th-century newspapers operated) without drowning readers in facts." - *PW*, starred review

## Downton Abbey

The Making of the Movie

by Focus Features

A behind the scenes look at the making of the long-awaited Downton Abbey movie.

It's been three years since the doors of Downton Abbey closed with scenes of celebration upstairs and down on New Year's Eve, 1925. Millions of fans around the world were heartbroken, but Downton fans need fret no longer. This fall, the Earl of Grantham and his wife, the Countess of Grantham, invite you to return to Downton Abbey and spend a few hours with Lady Mary and her husband Henry Talbot, Lady Edith (now a Marchioness) and her husband Marquess Bertie" Pelham, Tom Branson, the Dowager Countess, Master George, Miss Sybbie, Miss Marigold, Mrs. Crawley, Carson, Mrs. Hughes, Mrs. Patmore, Anna, Mr. Bates, Thomas, Daisy, Miss Baxter, Mr. Molesly, the people in the village of Downton and all the rest of the series' beloved characters in a new feature film written by Julian Fellowes called simply *Downton Abbey: The Movie*.

Created by the entire team that made the phenomenally successful, gorgeously outfitted and decorated BBC/PBS series, the film opens in the US on September 20th. *Downton Abbey: The Making of the Film* is the official companion book to accompany it. Filled throughout with full color photographs from the film and interviews with the actors, *Downton Abbey: The Making of the Film* will be the book every Downton fan who's cried into his or her Earl Grey missing the series will want to own. *Downton Abbey: The Movie* promises to be one of the biggest films of the fall and *Downton Abbey: The Making of the Film*, will be *the* book that fans will cherish until the Earl and Duchess open their doors to the world again.

## The Green New Deal

Why The Fossil Fuel Civilization Will Collapse By 2028 And The Bold Economic Plan To Save Life on Earth

by Jeremy Rifkin

An urgent, workable plan to confront climate change and transform America's economy for a post-fossil fuel world from the New York Times bestselling author of *The Third Industrial Revolution*

A new vision for America's future is quickly taking root. The Green New Deal has caught fire in activist circles and become a central focus of the Democratic Party, setting the agenda for a new political movement. And, while the details of the Green New Deal remain to be hashed out, it has inspired the Millennial generation, now the largest voting bloc in the country, to lead America on the issue of climate change.

While the Green New Deal has become an overnight sensation, it takes on added weight in lieu of a parallel movement within the global business community. Behind the scenes, key sectors of the American economy - telecommunication, electric utilities, mobility and transportation, and real estate - are quickly decoupling from fossil fuels as solar and wind near-parity in cost. Though this is good news for the environment, new studies are sounding the alarm about the prospect of 100 trillion dollars in stranded assets in the fossil fuel industry - money in pension funds that will simply disappear - as the economy abandons the old energies in favor of the new, creating a carbon bubble that is likely to burst by 2028.

In *The Green New Deal*, New York Times bestselling author and renowned economic and social theorist Jeremy Rifkin delivers the political narrative and technical framework for the critical national conversation in our midst. The coinciding of a stranded assets bubble and a (...)

## Blue

The Color of Noise

by Steve Aoki and Daniel Paisner

**The music. The mix. His life.**

**Sometimes I think my whole life can be seen through shades of blue. . . "**  
- Steve Aoki

BLUE is the remarkable story - in pictures and words - of Steve Aoki, the superstar DJ/producer who started his career as a vegan straightedge hardcore music kid hellbent on defying his millionaire father, whose unquenchable thirst to entertain - inherited from his dad, Rocky Aoki, founder of Benihana - led him to global success and two Grammy nominations. Ranked among the top ten DJs in the world today, Grammy-nominated artist, producer, label head, fashion designer, philanthropist and entrepreneur Steve Aoki is an authentic global trendsetter and tastemaker who has been instrumental in defining contemporary youth culture. Known for his outrageous stage antics (cake throwing, 'rave rafting', champagne spraying, and the 'Aoki Jump') and his endearing personality, Steve is also the brains behind indie record label Dim Mak, which broke acts such as The Kills, Bloc Party, and The Gossip. Dim Mak also put out the first releases by breakout EDM stars The Chainsmokers and The Bloody Beetroots, as well as the early releases for Grammy-nominated artist Iggy Azalea, in addition to EDM star Zedd and electro duo MSTRKFT.

In BLUE, Aoki recounts the epic highs of music festivals, clubs and pool parties around the world, as well as the lows of friendships lost to drugs and alcohol, and his relationship with his flamboyant father. Illustrated with candid photos gathered throughout (...)

## Proof of Conspiracy

How Trump's International Collusion Is Threatening American Democracy

by Seth Abramson

Seth Abramson shows how Trump has conspired and colluded with leaders from Russia, Saudi Arabia, and the UAE, from even before he won the presidency

In late 2015, convicted pedophile, international dealmaker and current cooperating witness in Special Counsel Robert Mueller's Russia investigation, George Nader, convened a secret meeting aboard a massive luxury yacht in the Red Sea. Nader pitched Saudi Crown Prince Mohammed bin Salman, Emirati Crown Prince Mohammed bin Zayed, and several other Middle Eastern leaders a plan for a new pro-U.S., pro-Israel alliance of Arab nations that would fundamentally alter the geopolitics of the Middle East while marginalizing Iran, Syria, and Turkey. To succeed, the plan would need a highly placed American politician willing to drop sanctions on Russia so that Vladimir Putin would in turn agree to end his support for Iran. They agreed the perfect American partner was Donald Trump, who had benefited immensely from his Saudi, Emirati, and Russian dealings for many years, and who, in 2015, became the only U.S. presidential candidate to argue for a unilateral end to Russian sanctions and a far more hostile approach to Iran.

So begins *New York Times* bestselling author Seth Abramson's explosive new book *Proof of Conspiracy: How Trump's International Collusion Threatens American Democracy*, a story of international intrigue whose massive cast of characters includes Israeli intelligence operatives, Russian oligarchs, Saudi death squads, American mercenary companies, Trump's innermost circle, and several members of the Trump family - all part of a clandestine multinational agreement that takes us from Washington, D.C. and Moscow to the Middle Eastern capitals of Riyadh, Abu (...)

Life Stories and Lessons from the Say Hey Kid

by Willie Mays and John Shea

**The baseball hall of famer and congressional medal of freedom winner Willie Mays shares inspirational life stories and lessons.**

I was very lucky when I was a child. My family took care of me and made sure I was in early at night. I didn't get in trouble. My father made sure that I didn't do the wrong thing. I've always had a special place in my heart for children and their well-being, and John Shea and I got the idea that we should do something for the kids and the fathers and the mothers, and that's why this book is being published. We want to reach out to all generations and backgrounds. Hopefully, these stories and lessons will inspire people in a positive way."

- Willie Mays

"It's because of giants like Willie, that someone like me could even think about running for President."

- President Barack Obama

*24: Life Stories and Lessons from the Say Hey Kid*, co-authored with John Shea and told in Mr. Mays's voice, is full of poignant and timeless stories and reflections from Mr. Mays that helped him become the man he is today, as well as stories from great players of yesteryear who played major roles in his life. Mr. Mays's Hall of Fame career only begins to tell the story of the impact this American hero has had on generations of people in the U.S. and worldwide. At a time when the color barrier in Major League Baseball had just been broken by Jackie Robinson, Mr. Mays triumphed against still-pervasive bigotry, not just with his enormous talents on the field, but by also adhering to the type (...)

## Author Bio

WILLIE MAYS, nicknamed "The Say Hey Kid" was an MLB center fielder for 22 seasons with the New York/San Francisco Giants and the New York Mets. He won two National League MVP awards, ended his career with 660 home runs, and won a record-tying 12 Gold Glove awards. Mays shares the record of most All-Star Games played with 24, the same number as his jersey. He was inducted into the Baseball Hall of Fame in 1979. JOHN SHEA is the award-winning national baseball columnist at the *San Francisco Chronicle* and Willie's longtime acquaintance. He has written four books, including the autobiography of Hall of Famer Rickey Henderson, *Off Base: Confessions of a Thief*. He is seen regularly on MLB Network and NBC Sports Bay Area and has contributed to ESPN.com, *The Sporting News*, and *USA Today*
