The First Conspiracy

The Secret Plot to Kill George Washington

Brad Meltzer, Josh Mensch

Summary

#1 *New York Times* bestselling author Brad Meltzer unravels the truth behind the secret assassination attempt on George Washington and how the plot catalyzed the creation of the CIA and FBI.

In 1776 an elite group of soldiers were handpicked to serve as George Washington's bodyguards. Washington trusted them—relied on them. But unbeknownst to Washington, some of them were part of a treasonous plan. In the months leading up to the Revolutionary War, these traitorous soldiers, along with the Governor of New York, William Tryon, and Mayor David Mathews, launched a deadly plot against the most important member of the military: George Washington himself.

This is the story of the secret plot and how it was revealed. It is a story of leaders, liars, counterfeiters, and jailhouse confessors. It also shows just how hard the battle was for George Washington—and how close America was to losing the Revolutionary War.

Taking place during the most critical period of our nation's birth, *The First Conspiracy* tells a remarkable and previously untold piece of American history, which not only reveals George Washington's character but also illuminates the origins of America's counterintelligence...

The Path Made Clear
Discovering Your Life's Direction and Purpose
 Oprah Winfrey

Summary

Everyone has a purpose. And, according to Oprah Winfrey, "Your real job in life is to figure out as soon as possible what that is, who you are meant to be, and begin to honor your calling in the best way possible."

That journey starts right here.

In her latest book, *The Path Made Clear*, Oprah shares what she sees as a guide for activating your deepest vision of yourself, offering the framework for creating not just a life of success, but one of significance. The book's ten chapters are organized to help you recognize the important milestones along the road to self-discovery, laying out what you really need in order to achieve personal contentment, and what life's detours are there to teach us.

Oprah opens each chapter by sharing her own key lessons and the personal stories that helped set the course for her best life. She then brings together wisdom and insights from luminaries in a wide array of fields, inspiring readers to consider what they're meant to do in the world and how to p...

The Moment of Lift

How Empowering Women Changes the World

Melinda Gates

Summary

A debut from *Forbes'* third most powerful woman in the world, Melinda Gates, a timely and necessary call to action for women's empowerment.

For the last twenty years, Melinda Gates has been on a mission. Her goal, as co-chair of the Bill & Melinda Gates Foundations, has been to find solutions for people with the most urgent needs, wherever they live. Throughout this journey, one thing has become increasingly clear to her: If you want to lift a society up, invest in women.

In this candid and inspiring book, Gates traces her awakening to the link between women's empowerment and the health of societies. She shows some of the tremendous opportunities that exist right now to "turbo-charge" change. And she provides simple and effective ways each one of us can make a difference.

Convinced that all women should be free to decide whether and when to have children, Gates took her first step onto the global stage to make a stand for family planning. That step launched her into further efforts: to ensure women everywhere have access to every kind of job; to encourage men around the globe to share equally in the burdens of household...

I Know Who You Are

A Novel

Alice Feeney

Summary

The new book by Alice Feeney, author of *Sometimes I Lie*, about a little girl who runs away from home and an actress whose husband has gone missing

I Know Who You Are is the brilliant tale of two stories. One is about Aimee Sinclair, a well-known actress on the verge of being full-on famous. If you saw her, you'd think you knew her. One day toward the end of her shoot on her latest film, Aimee comes home from filming to find her husband's cell phone and wallet on the dining room table. He never goes anywhere without them. But he's nowhere to be found. She's not too concerned—they had a huge fight the night before. They both said things they didn't mean. He might have done things he didn't mean, things she can't forget. Even though she has a history of supposedly forgetting. After all, she's a very good actress.

The next morning she goes for her morning run and then goes to her favorite coffee shop. But her card is denied. When she calls the bank, they say her account has been emptied of \$10,000. She immediately suspects her husband. But they say, no, it was Aimee herself who closed out the account. And thus begins a bizarre rabbit...

I.M.**A Memoir**

Isaac Mizrahi

Summary

In the bestselling memoir tradition of Rob Lowe's *Stories I Only Tell My Friends* and Anderson Cooper's *The Rainbow Comes and Goes*, iconic Isaac Mizrahi tells the story of his extraordinary life.

Isaac Mizrahi is sui generis. Designer. Cabaret singer. Talk show host. He's a pop culture icon unlike any fashion designer of recent memory, just as likely to be recognized walking down Main Street USA as Madison Avenue NYC. Yet ever since he shot to fame in the 1980s, the private Isaac Mizrahi has remained under wraps. Until now.

In *I.M.*, Isaac Mizrahi offers a poignant, candid, and touching look back on his life so far. And what a life it's been. He tells the story of growing up gay in a sheltered Syrian Jewish Orthodox family, portraying a strained relationship with his father and a complicated one with his beloved mother. At the famed LaGuardia High School for Performing Arts, he found his people (and appeared in his first movie, *Fame*). As a budding fashion designer, Isaac worked with luminaries such as Perry Ellis and Calvin Klein. After branching out on his own, his label's instant success anointed him the wunderkind of the international fashion world. Isaac's unique talents drew...

The Night Tiger

A Novel

Yangsze Choo

Summary

From *New York Times* bestselling author Yangsze Choo, an utterly transporting novel set in 1930s colonial Malaysia, perfect for fans of Isabel Allende and Min Jin Lee

Smart, vivacious Ji Lin is stuck as an apprentice dressmaker, moonlighting as a dancehall girl to help pay off her mother's Mahjong debts. But when one of her dance partners accidentally leaves behind a gruesome souvenir, Ji Lin may finally get the adventure she has been hoping for.

Across town, 11-year-old houseboy Ren is on a mission of his own, racing to fulfill his former master's dying wish: that Ren find the man's severed finger, lost years ago in an accident, and bury it with his body. Ren has 49 days to do so, or his master's soul will wander the earth forever.

As the days tick by, a series of unexplained deaths wreak havoc on the town, along with whispers of men who turn into tigers. Ji Lin and Ren are pulled together in ways they couldn't have imagined, as their increasingly dangerous paths lead them from lush plantations, to hospital storage rooms, to a ghostly dreamscape.

The Night Tiger draws us into a world of servants and masters, ancient superstition and modern ambit...

Contributor Bio

Yangsze Choo is a fourth-generation Malaysian of Chinese descent. After graduating from Harvard University, she worked in various corporate jobs before publishing her first novel, *The Ghost Bride*, a *New York Times* bestseller. She lives in California with her husband and children.

The Lost Man

Jane Harper

Summary

New York Times bestseller Jane Harper returns with a standalone novel about two brothers who meet in the remote outback when the third brother is found dead.

Two brothers meet at the remote fence line separating their cattle ranches in the lonely outback. In an isolated belt of Western Australia, they are each other's nearest neighbor, their homes a four hours' drive apart.

The third brother lies dead at their feet.

Something caused Cam, the middle child, who had been in charge of the family homestead, to die alone in the middle of nowhere.

So the eldest brother returns with his younger sibling to the family property and those left behind. But the fragile balance of the ranch is threatened. Amid the grief, suspicion starts to take hold, and the eldest brother begins to wonder if more than one among them is at risk of crumbling as the weight of isolation bears down on them all.

Contributor Bio

Jane Harper worked as a print journalist for thirteen years before writing *The Dry*, a #1 international bestseller, and *Force of Nature*, also an international bestseller. Originally from the UK, Jane lives in Melbourne.

At the Wolf's Table

A Novel

Rosella Postorino

Summary

For fans of *The Reader* and Elena Ferrante comes a novel based on the true story of a young woman who moved to a village near the Wolf's Lair, Hitler's secret headquarters, and became one of his food tasters.

Germany, 1943. Twenty-six-year-old Rosa Sauer's parents are gone, and her husband, Gregor, is far away, fighting on the front lines of World War II. Alone, she has little choice but to leave war-torn Berlin behind and live with her in-laws in the countryside, hoping she'll find refuge there. But one morning, the SS come to tell her she has been conscripted to be one of Hitler's tasters: three times a day, she and nine other women go to his secret headquarters, known as the Wolf's Lair, to eat his meals before he does. Forced to eat what might kill them, the tasters begin to divide into The Fanatics, those loyal to Hitler, and the women like Rosa who insist they aren't Nazis, even as they risk their lives every day for Hitler's. As secrets and resentments grow, this unlikely sisterhood reaches its own dramatic climax. What's more, one of Rosa's SS guards has become dangerously familiar, and the war is worsening outside. As the months pass, it becomes increasingly clear that Rosa and eve...

Why You Like It

The Science and Culture of Musical Taste

Nolan Gasser

Summary

From the chief architect of the Pandora Radio song recommendation engine comes a definitive and groundbreaking examination of how the mind and body influence the music you love.

Everyone loves music. But what is it that makes music so universally beloved and have such a powerful affect on us?

In this sweeping book, Dr. Nolan Gasser—a pianist, composer, musicologist, and the chief architect of the Music Genome Project, which is what powers Pandora Radio—breaks down what musical taste is, where it comes from, and what our favorite songs say about us.

Dr. Gasser delves into the science, psychology, and sociology that explains why humans love music so much; how our brains process music; and why you may love Queen but your friend loves Kiss. He sheds light on why babies can clap along to rhythmic patterns and reveals why different cultures across the globe identify the same kinds of music as happy, sad, or scary. Using easy-to-follow notated musical scores, Dr. Gasser teaches music fans how to become engaged listeners and provides them with the tools to enhance their musical preferences. Taking readers under the hood of their favorite genres—pop, rock, jazz, hip ho...

How to Date Men When You Hate Men

Blythe Roberson

Summary

For fans of Amy Poehler, Mindy Kaling, and Scaachi Koul, a hilarious and necessary roadmap through modern dating for any woman who's come to terms with the fact that all men are bad.

How to Date Men When You Hate Men is a comedy-philosophy book aimed at interrogating what it means to date men within the trappings of modern society. Blythe Roberson's sharp observational humor is met by her openhearted willingness to revel in the ugliest warts and shimmering highs of choosing to live our lives among other humans. She collects her crushes like ill-cared-for pets, skewers her own suspect decisions, and assures readers that any date you can mess up, she can top tenfold. And really, was that date even a date in the first place?

With sections like Schrödinger's Relationship; Good Flirts That Work; Bad Flirts That Do Not Work; and Definitive Proof That Tom Hanks Is the Villain of *You've Got Mail*, *How to Date Men When You Hate Men* is a one stop shop for dating advice when you love men but don't like them.

Contributor Bio

Blythe Roberson is a writer and comedian whose work has been published by *The New Yorker*, *The Onion*, *ClickHole*, *Vice Magazine*, and others, and has been mentioned by *The New York Times*, *The Washington Post*, and *New York* magazine. She works as a researcher at *The Late Show with Stephen Colbert*.

The Fatburn Fix

Feel Great, Lose Weight, and Get Fit by Using Body Fat for Fuel

Catherine Shanahan, M.D.

Summary

From the author of *Deep Nutrition* comes a proven plan to reboot your body's natural ability to burn fat as fuel—allowing you to lose weight, gain energy, and achieve optimum health.

In *The Fatburn Fix*, renowned family physician Cate Shanahan, MD, proves that the answer to weight gain isn't a "faster" metabolism, more exercise, or even self-control. It all boils down to what she calls the Fatburn Factor, or the body's natural ability to burn body fat as fuel.

After years of research and patient observation, Dr. Cate discovered that certain enzymes are required for the body to utilize body fat for energy. Without these enzymes, people lose the ability to burn fat, making weight gain almost unavoidable. Worse, the loss of your fat-burning enzymes causes your cells to depend on sugar for energy.

Now, in *The Fatburn Fix*, Dr. Cate lays out a step-by-step plan to help reboot your fat-burn potential in as little as two weeks, opening the door to a lifetime of looking and feeling better than you ever thought possible.

By making a few changes to what you eat (and when)—such as reducing carbs, switching toxic fats for healthy ones, and adding high-quality proteins—your body wil...

If Cats Disappeared from the World

A Novel

Genki Kawamura, Eric Selland

Summary

The international phenomenon that has sold more than 1.3 million copies in Japan, *If Cats Disappeared from the World* is a funny, charming, and thoughtful exploration on the meaning of life.

A young postman is diagnosed with advanced-stage cancer and learns he doesn't have long to live. He goes home to sulk with his cat, Cabbage, whom he inherited after his mother's death. There he's greeted by his doppelganger, who's dressed in a Hawaiian shirt, goes by the name of Aloha, and claims he is the devil. Aloha offers the postman a deal: He will grant the postman one extra day of life, but in exchange the devil gets to banish one thing from earth forever. The first day, in exchange for an extra day of life Aloha gets rid of telephones, then movies, followed by watches. With each object that disappears, the postman reflects on the life he's lived, his joys, regrets, disappointments, and the people he's loved and lost. On the fourth day when Aloha announces that he's going to make cats disappear from the face of the earth forever, the postman hesitates. Is he willing to rid the world of cats in exchange for one more day of life?

A remarkably original tale, *If Cats Disappeared from...*

The Prairie Homestead Cookbook

Simple Recipes for Heritage Cooking in Any Kitchen

Jill Winger

Summary

Award-winning blogger Jill Winger introduces her debut, *The Prairie Homestead Cookbook*, with 100+ delicious recipes to bring the flavors and spirit of homestead cooking to any kitchen table.

The Pioneer Woman Cooks meets *100 Days of Real Food*, on the Wyoming prairie. While Jill produces much of her own food on her Wyoming ranch, you don't have to grow all—or even any—of your own food to cook and eat like a homesteader. Jill teaches people how to make delicious traditional American comfort food recipes with whole ingredients and shows that you don't have to use obscure items to enjoy this lifestyle. And as a busy mother of three, Jill knows how to make recipes easy and delicious for all ages.

The recipes include her family's favorites, with maple-glazed pork chops, butternut Alfredo pasta, and browned butter skillet corn. Jill also shares bonus recipes for homemade sauces, salt rubs, sour cream, and the like—staples that many people are surprised to learn you can make yourself. Beyond these recipes, *The Prairie Homestead Cookbook* shares the tools and tips Jill has learned from life on the homestead, like how to churn your own butter, feed a family on a budget, and experience...

Contributor Bio

Jill Winger and her family pursue a lifestyle of modern-homesteading on the wide-open prairies of Wyoming. They dabble in a variety of small-scale agricultural endeavors including organic gardening, grass-fed beef cattle, home dairying, poultry, and more. Jill blogs at *The Prairie Homestead*, where she encourages others to return to their roots, no matter where they live. She has been featured in *H...*

Save Me from Dangerous Men

A Novel

Saul Lelchuk

Summary

A badass bookseller who punishes abusers—in the vein of Jack Reacher, Dexter Morgan, and Stephanie Plum—investigates a murder in this thrilling debut.

Nikki Griffin isn't your typical private investigator, or your typical bookseller. In her office above her bookstore's shelves and stacks, where she luxuriates in books and the comfort they provide, she tracks certain men. Dangerous men. Men who have hurt the women they claim to love. And Nikki likes to teach those men a lesson, to teach them what it feels like to be hurt and helpless, so she can be sure that their victims are safe from them forever.

When a regular PI job tailing Karen, a tech company's disgruntled employee who might be selling secrets, turns ugly and Karen's life is threatened, Nikki has to break cover and intervene. Karen tells Nikki that there are people after her. Dangerous men. She says she'll tell Nikki what's really going on. But then something goes wrong, and suddenly Nikki is no longer just solving a case—she's trying hard to stay alive.

Part Lisbeth Salander, part Jack Reacher, part Jessica Jones, Nikki Griffin is a kickass character who readers will root for ...

The Reign of the Kingfisher

A Novel

T.J. Martinson

Summary

Thirty years ago a superhero tried to save Chicago. Now the city is again under siege, in this gritty, suspenseful, and beautifully written novel from award-winning debut author T.J. Martinson.

Somewhere in Chicago, a roomful of people have been taken hostage. The hostages will be killed one by one, the masked gunman says on-screen, unless the police will admit that they faked the death of the legendary black superhero called the Kingfisher and helped him to give up his defense of the city thirty years ago.

Retired reporter Marcus Waters made his name as a journalist covering the enigmatic superhero's five years of cleaning up Chicago's streets. Then the Kingfisher died, Chicago resumed its violent turmoil, and Marcus slid back into obscurity.

But did the Kingfisher really die? And who would take hostages connected to the Kingfisher's past attempts to clean up the streets? With the help of disgraced police officer Lucinda Tillman and a young hacktivist named Wren, Marcus will explore the city's violence, corruption, and chaos to figure out if the vigilante hero died tragically, or gave up hope and abandoned the city—and for the hostages, the clock is ticking.

As Long as We Both Shall Live

A Novel

JoAnn Chaney

Summary

What happens when you're done making your marriage work? Men kill their wives, women kill their husbands...but sooner or later, no matter how careful you think you've been, you'll get caught.

"My wife! I think she's dead!" Matt frantically tells park rangers that he and his wife, Marie, were hiking when she fell off a cliff into the raging river below. They all start a search, but they aren't hopeful: no one could have survived that fall. It was a tragic accident.

But Matt's first wife also died in suspicious circumstances. And when the police pull a body out of the river, they have a lot more questions for Matt.

Detectives Loren and Spengler want to know if Matt is a grieving husband or a cold-blooded murderer. They know you can't be married to someone without sometimes wanting to bash them over the head, so they dig into the couple's lives to see what they can unearth. And they find that love's got teeth, it's got claws, and once it hitches you to a person, it's tough to rip yourself free.

So what happens when you're done making it work?

Force of Nature

A Novel

Jane Harper

Summary

From the *New York Times* bestselling author of *The Dry*, when a hiker goes missing, secrets and betrayal among friends are exposed, and Agent Aaron Falk will find out what happened.

Five women reluctantly pick up their backpacks and start walking along the muddy track. Only four come out the other side.

The hike through the rugged Giralang Ranges on the corporate retreat is meant to take the office workers out of their air-conditioned comfort zone and teach resilience and team building. But one of the women doesn't make it.

Federal Police Agent Aaron Falk has a particularly keen interest in the whereabouts of the missing hiker. Alice Russell is the whistleblower in his latest case—in just a matter of weeks she was due to help him bring down both the company she works for and the people she works with.

In an investigation that takes Falk from isolated bushland to city headquarters, he discovers secrets lurking in the mountains, and a tangled web of personal and professional friendship, suspicion, and betrayal among the hikers. But did that lead to murder? This is as atmospheric, tense, and explosive as the bestselling *The Dry*, and marks the continuation of a terrific...

What You Don't Know

A Novel

JoAnn Chaney

Summary

A series of murders brings Denver to its knees in this wonderfully voice-driven, dark, wry, and wholly original page-turning debut.

He didn't take their lives, but he ruined them: the last victims of an infamous serial killer on death row may be the ones he didn't kill. Seven years ago, Detective Paul Hoskins and his larger-than-life partner solved one of the biggest serial murder cases of the decade. They dug up thirty-three bodies in a crawl space belonging to the beloved Jacky Seever, a pillar of the community and a successful businessman. Sammie Peterson was the lead reporter on the case. Her byline was on the front page of the newspaper every day. Seever's wife, Gloria, claimed to be as surprised as everyone else.

Today, Hoskins has been banished to cold cases, Sammie is selling make-up at the mall, and Gloria is trying to navigate a world where she can't escape condemnation. And Seever? He's watching the show.

But when a series of new murders occur, and the victims are all somehow connected to Seever, Gloria is once again thrust into the spotlight, while Hoskins and Sammie realize this may be their chance to ...

Caddyshack

The Making of a Hollywood Cinderella Story

Chris Nashawaty

Key Selling Points:

- **Grads and Dads** – Can you think of a better gift for your dad or son graduating high school? Neither can we, and we're publishing at the perfect time to capture this yearly buying frenzy.
- **Love Letter to Comedy** – The book is chock full of never before told stories about the most famous legends in comedy – Belushi, Murray, Ramis, Rodney Dangerfield, Radner and Chase
- **So much More than a "Making of"** – *Cinderella Story* is not just a behind the scenes expose of the making of one film, but a look at a revolutionary time in American popular culture
- **Making of a "Masterpiece"** – While *Caddyshack* may not be *Citizen Kane*, millions more of us have seen and adore it than.

Summary

The rollicking, hilarious and surprising history of the making of *Caddyshack*, and a portrait of the comedy geniuses who made it happen.

The making of *Caddyshack* is even crazier, and funnier, than the film, as this ragtag group of party animal filmmakers descend on a Florida country club to shoot the movie over one very memorable summer. Full of unshared anecdotes, unpublicized challenges, and untold stories of infighting, dysfunction, and the mysterious, alchemical nature of capturing comedy lightning in a bottle, *Caddyshack* is at once an eye-opening narrative about one of the most interesting, surreal, and dramatic Hollywood productions there's ever been, and a rich portrait of the biggest, and most revolutionary names in popular culture.

Girls Burn Brighter

A Novel

Shobha Rao

Summary

A searing, electrifying debut novel set in India and America, about a once-in-a-lifetime friendship between two girls who are driven apart but never stop trying to find one another again.

When Poornima first meets Savitha, she feels something she thought she lost for good when her mother died: hope. Poornima's father hires Savitha to work one of their sari looms, and the two girls are quickly drawn to one another. Savitha is even more impoverished than Poornima, but she is full of passion and energy. She shows Poornima how to find beauty in a bolt of indigo cloth, a bowl of yogurt rice and bananas, the warmth of friendship. Suddenly their Indian village doesn't feel quite so claustrophobic, and Poornima begins to imagine a life beyond the arranged marriage her father is desperate to lock down for her. But when a devastating act of cruelty drives Savitha away, Poornima leaves behind everything she has ever known to find her friend again. Her journey takes her into the darkest corners of India's underworld, on a harrowing cross-continental journey, and eventually to an apartment complex in Seattle. Alternating between the girls' perspectives as they face relentless obstac...

Mothers of Sparta

A Memoir in Pieces

Dawn Davies

Summary

Discovered by Michael Ondaatje, Davies's dazzling literary memoir has shades of Mary Karr, Anne Lamott, and Jenny Lawson.

If you're looking for a parenting book, this is not it. This is not a treatise on how to be a mother.

This is a book about a young girl who moves to a new town every couple of years; a misfit teenager who finds solace in a local music scene; an adrift twentysomething who drops out of college to pursue her dream of making cheesecake on a stick a successful business franchise (ah, the ideals of youth). Alone in a new city, she summons her inner strength as she holds the hand of a dying stranger. Davies is a woman who finds humor in difficult pregnancies and post-partum depression (after reading "Pie" you might never eat Thanksgiving dessert the same way). She is a divorcee who unexpectedly finds second love. She is a happily married suburban wife who nevertheless makes a mental list of all the men she would have slept with. And she is a parent who finds herself tested in ways she could never imagine. In stories that cut to the quick, Davies explores passion, loss, illness, pain, and ...

Contributor Bio

Dawn Davies has a BA from Vermont College of Fine Arts and an MFA from Florida International University. She is the recipient of a Pushcart Special Mention, and her work has been published in numerous journals and anthologies. She lives in Fort Lauderdale, Florida, where she does everything from work construction to teach college writing. *Mothers of Sparta* is her debut.

You Don't Look Your Age...and Other Fairy Tales

Sheila Nevins

Summary

The *New York Times* bestseller now in paperback, an astonishingly frank, funny, poignant book for any woman who wishes she had someone who would say to her, "This happened to me, learn from my mistakes *and* my successes. Because you don't get smarter as you get older, you get braver."

INSTANT *NEW YORK TIMES* BESTSELLER

"Thank you to Sheila Nevins for putting all this down for posterity. Women need this kind of honest excavation of the process of living." —Meryl Streep

An astonishingly frank, funny, poignant book for any woman who wishes she had someone who would say to her, "This happened to me, learn from my mistakes *and* my successes. Because you don't get smarter as you get older, you get braver."

Sheila Nevins is the best friend you never knew you had. She is your discreet confidante you can tell any secret to, your sage mentor at work who helps you navigate the often uneven playing field, your wise sister who has "been there, done that," your hysterical girlfriend whose stories about men will make you laugh until you cry. Sheila Nevins is the one person who always tells it like it is.

In *You Don't Look Your Age*, the famed documentary producer (as president of HBO Documentary Films for more than thirty years, Nevins has rightfully been credited with creating the docu...

The Kings of Big Spring

God, Oil, and One Family's Search for the American Dream

Bryan Mealer

Summary

A saga of family, fortune, failure and Texas, where blood may be thicker than water, but oil is king.

In the winter of 1981, Bryan Mealer's father, Bobby, receives a call from an old friend with a deviously simple question, "How'd you like to be a millionaire?"

Twenty-six, and with a young family, Bobby had left his hometown of Big Spring in West Texas, a town of oil booms and busts, to seek his fortune away from the legacy of black gold his forefathers had chased. But now Big Spring's streets are flooded again with money and Texas T, a boom so big that 46% of the world's oil is bubbling up from west Texas soil and a fevered American dream has taken hold as fortune hunters pour in, oil rigs sprout up like dandelions in the field, and millionaires are minted each day.

Contributor Bio

Bryan Mealer is the author of *Muck City: Winning and Losing in Football's Forgotten Town*, and the *New York Times* bestseller *The Boy Who Harnessed the Wind*, which he wrote with William Kamkwamba. He is also the author of *All Things Must Fight to Live*, which chronicled his years covering the war in the Democratic Republic of Congo as a reporter for the Associated Press and Harper's. The Curse of the Boyfriend Sweater

Essays on Crafting

Alanna Okun

Summary

The Opposite of Loneliness meets *Knitlandia*, in this memoir about life truths learned through crafting.

The Curse of the Boyfriend Sweater is a memoir about life truths learned through crafting.

People who craft know things. They know how to transform piles of yarn into sweaters and scarves. They know that some items, like woolen bikini tops, are better left unknit. They know that making a hat for a newborn baby isn't just about crafting something small but appreciating the beginnings of life, which sometimes helps make peace with the endings. They know that if you knit your boyfriend a sweater, your relationship will most likely be over before the last stitch.

Alanna Okun knows that crafting keeps her anxiety at bay. She knows that no one will ever be as good a knitting teacher as her beloved grandmother. And she knows that even when we can't control anything else, we can at least control the sticks, string, and fabric right in front of us.

Okun lays herself bare and takes readers into the parts of themselves they often keep hidden. Yet at the same time she finds humor in the daily indigni...

The Five Invitations

Discovering What Death Can Teach Us About Living Fully

Frank Ostaseski, Rachel Naomi Remen, M.D.

Summary

The cofounder of the Zen Hospice Project and pioneer behind the compassionate care movement shares an inspiring exploration of the lessons dying has to offer about living a fulfilling life.

Life and death are a package deal. They cannot be pulled apart and we cannot truly live unless we are aware of death. *The Five Invitations* is an exhilarating meditation on the meaning of life and how maintaining an ever-present consciousness of death can bring us closer to our truest selves. As a renowned teacher of compassionate caregiving and the cofounder of the Zen Hospice Project, Frank Ostaseski has sat on the precipice of death with more than a thousand people. In *The Five Invitations*, he distills the lessons gleaned over the course of his career, offering an evocative and stirring guide that points to a radical path of transformation.

The Five Invitations:

- Don't Wait
- Welcome Everything, Push Away Nothing
- Bring Your Whole Self to the Experience
- Find a Place of Rest in the Middle of Things
- Cultivate Don't Know Mind

These invitations show us how to wake up fully to our lives. They can be understood as best practices for anyone coping with loss or navigating any sort of transition or...

Oliver Loving

A Novel

Stefan Merrill Block

Summary

The breakout book from a beloved literary writer.

Stefan Merrill Block's first two novels were widely praised for their lyrical intensity and keen emotional insight. Now comes his most ambitious and satisfying novel yet, a mesmerizing, compulsively readable look at the complicated threads that bind a family, and what happens when those ties are tested by tragedy.

Once upon a time, there was a boy who fell through a crack in time...

One November night, at the Bliss County Day School's annual dance, Hector Espina enters the gymnasium with a gun. What happens that evening tears the town of Bliss apart. And while time does some good to help the grieving move past the tragedy, the Loving family gets no such respite. Melancholy, moody seventeen-year-old Oliver Loving is struck by a bullet and, nine years later, still lies in a coma, machines doing the work of keeping his body alive, the fate of his mind unclear. While his mother, Eve, keeps vigil, her hope distilled down to the finest point and kept aloft through carefully maintained ritual...

Mr. Dickens and His Carol

A Novel

Samantha Silva

Summary

Re-publishing in hardcover for the 2018 holiday season, the new classic that's a perennial must-read, hailed by Anthony Doerr as "charming, comic, and ultimately poignant."

Charles Dickens is *not* feeling the Christmas spirit. His newest book is an utter flop, the critics have turned against him, relatives near and far hound him for money. While his wife plans a lavish holiday party for their ever-expanding family and circle of friends, Dickens has visions of the poorhouse. But when his publishers try to blackmail him into writing a Christmas book to save them all from financial ruin, he refuses. And a serious bout of writer's block sets in.

Frazzled and filled with self-doubt, Dickens seeks solace in his great palace of thinking, the city of London itself. On one of his long night walks, in a once-beloved square, he meets the mysterious Eleanor Lovejoy, who might be just the muse he needs. As Dickens's deadlines close in, Eleanor propels him on a Scrooge-like journey that tests everything he believes about generosity, friendship, ambition, and love. The story he writes will change Christmas forever.

Laced with humor, rich historical detail from Charles Dic...
