Beasts of Extraordinary Circumstance

A Novel

Ruth Emmie Lang

"This exquisite and adventurous book will remind you of classic fantasies that you read as a child." —*Bustle*

Finding magic in the ordinary...

The day that Weylyn is born is the largest snowstorm the South has ever seen. As he grows older, so do the legends of Weylyn Grey, his horned-pig Merlin and their magical abilities. But the true magic is in the way that he transforms the lives of those around him. As anyone who's met Weylyn will tell you, once he wanders into your life, you'll wish he'd never leave.

Told from the perspectives of the people who knew him, loved him, and even a few who thought he was just plain weird. Although he doesn't stay in any of their lives for long, he leaves each of them with a story to tell. Stories about a boy who lives with wolves, great storms that evaporate into thin air, fireflies that make phosphorescent honey, and a house filled with spider webs and the strange man who inhabits it.

There is one story, however, that Weylyn wishes he could change: his own. But first he has to muster enough courage to knock on Mary's front door.

In the tradition of Sarah Addison Allen, Ruth Emmie Lang teaches us about adventure and love in a beautifully written story full of nature and wonder.

PRAISE

"Weylyn Grey is enchanting." —*Real Simple* magazine

"Original and imaginative, especially in its multifaceted exploration of one extraordinary person, Lang's novel is a lovely and fascinating feat of magical realism." —*Booklist*

"Mixes magical realism with romance, humor, and adventure, delighting readers who enjoy strong fantasy populated with quirky characters and events." —*Library Journal*

RUTH EMMIE LANG was born in Glasgow, Scotland and has the red hair to prove it. When she was four years old, she immigrated to Ohio where she has lived ever since. She has since lost her Scottish accent, but still has the hair. Ruth currently lives in Columbus, Ohio with her husband and dreams of someday owning a little house in the woods where she can write more books. *Beasts of Extraordinary Circumstance* is her first novel.

Getting the Love You Want

A Guide for Couples

Harville Hendrix, Helen LaKelly Hunt

The bestselling guide to transforming an intimate relationship into a lasting source of love and companionship, fully revised with a new forward, and a brand new chapter.

In *Getting the Love You Want*, Dr. Harville Hendrix and Dr. Helen Hunt offer the relationship skills that have helped millions of couples replace confrontation and criticism with a process of mutual support that facilitates healing and growth at any stage of a relationship. This extraordinary practical guide describes the revolutionary technique that combines a number of disciplines—including the behavioral sciences, depth psychology, social learning theory, Gestalt therapy, and interpersonal neurosciences, among others—to create a program that transforms conflict into creative tension that deepens connection and renews passion.

In a new forward and chapter, Hendrix and Hunt offer a new perspective of what a relationship is and where we should focus our attention and energy. Reversing the assumption that prioritizes the individual, the authors show how tending to the needs of the relationship first will ensure that the needs of the individual are met. By shifting our conversational methods away from negativity and towards affirmation, a safe and encouraging environment is built that reduces anxiety and allows couples to thrive. The chapter also includes practical exercises—proven invaluable in couple's therapy—to achieve the goal of intimate partnership full of life, joy, and wonder.

PRAISE

“Hendrix provides much insight into how spouses can mature through one another.” —*Booklist*

“The best program I’ve seen for using the love/hate energy in marriage to help a couple heal one another and to become whole together.” —T. George Harris, Editor-in-Chief, *American Health*

“I know of no better guide for couples who genuinely desire a maturing relationship.” —M. Scott Peck, author of *The Road Less Traveled*

“Remarkable . . . Incisive and persuasive.” —Ann Roberts, former president, Rockefeller Family Fund

Harville Hendrix, Ph.D., and his wife, **Helen LaKelly Hunt, Ph.D.**, co-creators of Imago Relationship Therapy, a unique healing process for couples, prospective couples, and parents. Together they have more than thirty years' experience as educators and therapists and their work has been translated into more than 50 languages, with Imago practiced by two thousand therapists worldwide. Harville and Helen have six children and live in New York and New Mexico.

The Stiletto Agreement

JaQuavis Coleman

A gritty, dramatic, pulse-pounding street thriller by New York Times bestselling author JaQuavis Coleman.

One wife. One mistress. One deadly game of sex, deception, and betrayal...

Both wife and mistress are attached to the same man, a man heir to the throne of a powerful business. The same man that had led them on for years and kept secrets from them both. But now he's thousands of miles away, duct-taped and bound to a chair in a basement in Detroit, Michigan.

As the intricate plan concocted between the two women unfolds, more and more layers of secrets are exposed. What starts out as a quest for ransom money turns into a ruthless game of cat and mouse. Within 72 hours, sex, manipulation, lies, and altered plans will all explode into unpredictable consequences that will change their three lives forever...

PRAISE

"An excellent, exciting read for newcomers, longtime Cartel followers, and all urban-lit fans." —Booklist on *The Cartel 6: The Demise*

"[T]hese authors may just be the most successful literary couple in America." —*T Magazine*

"[T]he duo is taking the world of street literature by storm." —*Rolling Out*

JAQUAVIS COLEMAN is the prolific writer from Flint, Michigan and is known for his witty street tales that depict the street/urban lifestyle. His clever storytelling ability gives readers a perspective from a young street hustler and the authenticity is evident. In 2013 he was honored by Ebony magazine as being one of the top 100 most influential African Americans in the country. He's the author of *The Dopeman* series and *The Cartel* series with Ashley Antoinette Coleman.

The Woman in the Water

A Prequel to the Charles Lenox Series

Charles Finch

This chilling new mystery takes readers back to Charles Lenox's very first case and the ruthless serial killer who would set him on the course to become one of London's most brilliant detectives.

London, 1850: A young Charles Lenox struggles to make a name for himself as a detective...without a single case. Scotland Yard refuses to take him seriously and his friends deride him for attempting a profession at all. But when an anonymous writer sends a letter to the paper claiming to have committed the perfect crime—and promising to kill again—Lenox is convinced that this is his chance to prove himself.

The writer's first victim is a young woman whose body is found in a naval trunk, caught up in the rushes of a small islets in the middle of the Thames. With few clues to go on, Lenox endeavors to solve the crime before another innocent life is lost. When the killer's sights are turned toward those whom Lenox holds most dear, the stakes are raised and Lenox is trapped in a desperate game of cat and mouse.

In the tradition of Sherlock Holmes, this newest mystery in the Charles Lenox series pits the young detective against a maniacal murderer who would give Professor Moriarty a run for his money.

PRAISE

"Prequels are fun...Lenox is a mere whippersnapper in *The Woman in the Water*...a cunning mystery."—Marilyn Stasio, *New York Times Book Review*

"Bravo Mr. Finch and keep them coming! More Lenox, please." —Louise Penny, author of *Still Life*

"A thick, leisurely, British detective novel, studded with memorable characters." —Hallie Ephron, *The Boston Globe* on *The Laws of Murder*

"Finch is a clever plotter and assiduous researcher." —*Seattle Times*

CHARLES FINCH is a graduate of Yale and Oxford. He is the author of the Charles Lenox mysteries, including *The Inheritance* and *A Beautiful Blue Death*, which was nominated for an Agatha Award and was named one of *Library Journal's* Best Books of 2007, one of only five mystery novels on the list. He lives in Chicago.

Black Star Renegades

Michael Moreci

In the tradition of *Star Wars*, a galaxy-hopping space adventure about a galactic kingdom bent on control and the young misfit who must find the power within before it's too late.

Cade Sura holds the future of the galaxy in his hands: the ultimate weapon that will bring total peace. He didn't ask for it, he doesn't want it, and there's no worse choice to wield it in all of space, but if he doesn't, everyone's totally screwed. The evil Praxis kingdom is on the cusp of having every star system under its control, and if that happens, there'll be no contesting their cruel reign. Especially if its fanatical overlord, Ga Halle, manages to capture Cade and snag the all-powerful weapon for herself.

Cade can't hide from Praxis, and he can't run from the destiny that's been shoved into his hands. So he only has one option:

He has to fight.

Cade's not going to let destiny send him on a suicide run, though. With some help from his friends—rebels and scoundrels alike—Cade's going to use this weapon to chart a new destiny for the galaxy, and for himself.

He just has to do so before everyone around him discovers that he's a complete and total fraud.

Blending the space operatics of *Star Wars* and the swagger of *Guardians of the Galaxy*, *Black Star Renegades* is a galaxy-hopping adventure that blasts its way from seedy spacer bars to sacred temples guarded by deadly creatures—all with a cast of misfit characters who have nowhere to go and nothing to lose.

PRAISE

“Part 'Star Wars' homage, part unexpected coming-of-age novel...Moreci balances character with plot very well; the story moves at a brisk pace, and the frequent action sequences fit in well with the overall story.” —*Los Angeles Times*

“Moreci's book is what I'd characterize as a sort of beach read for nerds—like *Ready Player One* or Andy Weir's *The Martian* and *Artemis*.” —*The Verge*

“This book really, truly feels like the next big thing.” —*The Nerdist*

MICHAEL MORECI is a novelist and author of comic books. His comics include the critically acclaimed sci-fi trilogy *Roche Limit* and the military horror drama *Burning Fields*. He's also written *Suicide Squad* for DC, *Planet of the Apes* for Boom!, and his other original titles include *Curse*, *Hoax Hunters*, *ReincarNATE*, and the forthcoming *Black Hole Repo*. As a novelist, Michael is currently writing *Spy Swap*, an espionage thriller for Tor/Forge. He lives in Chicago with his wife, two sons, and dog.

Love Worth Making

How to Have Ridiculously Great Sex in a Long-Lasting Relationship

Stephen Snyder, M.D.

The next *Mating in Captivity*, this is a paradigm-shifting guide to thinking about and enjoying sex and intimacy in committed, long-term relationships, from one of the nation's top sex therapists.

These are astonishing times for sex. With a click of the mouse you can find new sex positions online, buy the latest vibrator, and learn the names for sex acts your grandparents never knew existed. But are people any happier in bed? Probably not. Research suggests that nearly a quarter of American women in heterosexual relationships are markedly distressed about their sex lives.

There's no shortage of books these days on sex technique. But that's not what most people are interested in. What they really want is to have great sex *in a committed relationship*, in which case all the technical expertise in the world won't help you very much. For that, you need to understand *sexual feelings*—how they operate, what rules they follow, and how they connect to the rest of who you are.

Dr. Stephen Snyder's unique approach has helped over 1,500 individuals and couples master the erotic challenges of long-term relationships. Integrating the latest research on human sexuality with compelling stories from his thirty years of experience, *Love Worth Making* will help people of all ages and backgrounds understand and embrace their sexual feelings, and enjoy them for life.

PRAISE

"Prepare to be entertained, enlightened, and even outraged by this impassioned defense of pair bonding for life." —Wednesday Martin, Ph.D., *New York Times* bestselling author of *Primates of Park Avenue*

"*Love Worth Making* is, hands down, the most practical, fun, and empowering book I've ever read on how to have a fabulous sex life in a committed relationship. A must read for every committed couple who wants to keep the spark alive for many years." —Christiane Northrup, M.D., OB/GYN, and *New York Times* bestselling author of *Goddesses Never Age* and *The Wisdom of Menopause*

STEPHEN SNYDER, M.D., is a sex and relationship therapist and writer, with a national reputation as one of the most creative thinkers in the sex field today. An Associate Clinical Professor of Psychiatry at the Icahn School of Medicine at Mount Sinai in New York City, Dr. Snyder is a guest on major media outlets nationwide and writes for *Psychology Today* and *The Huffington Post*. He lives with his wife and children in New York City.

"Must reading for every committed couple who want to keep the spark alive for many years."

Heavens on Earth

The Scientific Search for the Afterlife, Immortality, and Utopia

Michael Shermer

A scientific exploration into humanity's obsession with the afterlife and quest for immortality from the bestselling author and skeptic Michael Shermer

In his most ambitious work yet, Shermer sets out to discover what drives humans' belief in life after death, focusing on recent scientific attempts to achieve immortality along with utopian attempts to create heaven on earth.

For millennia, religions have concocted numerous manifestations of heaven and the afterlife, and though no one has ever returned from such a place to report what it is really like—or that it even exists—today science and technology are being used to try to make it happen in our lifetime. From radical life extension to cryonic suspension to mind uploading, Shermer considers how realistic these attempts are from a proper skeptical perspective.

Heavens on Earth concludes with an uplifting paean to purpose and progress and how we can live well in the here-and-now, whether or not there is a hereafter.

PRAISE

"[A] fascinating book...a journey as boggling as it is engrossing." —Maria Konnikova, *The New York Times Book Review*

"[An] ambitious, erudite volume...bringing the high evidentiary standards of science to bear on heavenly claims." —*The Washington Post*

"Thank goodness for Michael Shermer's sound and inspired mindfulness and for this importantly useful volume. Truly a delicious read. Ten Goldblums out of a possible ten Goldblums!" —Jeff Goldblum, actor

Michael Shermer is the Publisher of *Skeptic* magazine, a monthly columnist for *Scientific American*, and a Presidential Fellow at Chapman University. He is the author of *The Moral Arc*, *The Believing Brain*, and many other bestselling titles.

Rupture

An Ari Thor Thriller

Ragnar Jonasson

A huge bestseller in England, France, and Australia, the fourth book in the Ari Thor thriller series from a spectacular new crime writer.

Hailed for combining the darkness of Nordic Noir with classic mystery writing in the tradition of Agatha Christie, author Ragnar Jonasson's books are haunting, atmospheric, and complex. *Rupture*, the latest Ari Thór thriller, delivers another dark mystery that is chillingly stunning with its complexity and fluidity.

Young policeman Ari Thór tries to solve a 50-year-old murder when new evidence surfaces. But the case proves difficult in a town where no one wants to know the truth, where secrets are a way of life. He's assisted by Ísrún, a news reporter in Reykjavik who is investigating an increasingly chilling case of her own. Things take a sinister turn when a child goes missing in broad daylight. With a stalker on the loose, and the town in quarantine, the past might just come back to haunt them.

PRAISE

Praise for the Ari Thor thrillers:

"A classic crime story seen through a uniquely Icelandic lens... first rate and highly recommended." —Lee Child

"A modern take on an Agatha Christie-style mystery, as twisty as any slalom..." —Ian Rankin

"Chilling, poetic beauty... a must read!" —Peter James

RAGNAR JONASSON is the award winning author of the international bestselling Ari Thor thriller series. Before embarking on a writing career, he translated fourteen Agatha Christie novels into Icelandic. He is also the cofounder of the Reykjavik international crime-writing festival Iceland Noir. Ragnar lives in Reykjavik with his wife and two daughters.

The Vanishing Season

A Mystery

Joanna Schaffhausen

In this 2016 MB/MWA First Crime Novel Award winner, Ellery Hathaway is the only one who knows the real reason a person goes missing around her birthday each year in her small Massachusetts town.

Winner of the Minotaur Books/Mystery Writers of America First Crime Novel Competition, Joanna Schaffhausen's accomplished debut will grip readers from the opening page to the stunning conclusion.

Ellery Hathaway knows about serial killers, but not through her police training. She's an officer in sleepy Woodbury, MA, where a bicycle theft still makes the newspapers. No one there knows she was once victim number seventeen in the grisly story of serial killer Francis Michael Coben. The only one who lived.

When three people disappear from her town in three years, all around her birthday—the day she was kidnapped so long ago—Ellery fears someone knows her secret. Someone very dangerous. Her superiors dismiss her concerns, but Ellery knows the vanishing season is coming and anyone could be next. She contacts the one man she knows will believe her: the FBI agent who saved her from a killer's closet all those years ago.

PRAISE

"A gripping and powerful read. It is what we call an edge-of-your-seat, rollercoaster of a thriller. You will not be able to put it down before you finish it."—*The Washington Book Review*

"*The Vanishing Season* won the Minotaur Books/Mystery Writers of America First Novel Competition. Given the precise prose, the suspenseful plot and the emotionally tortured characters... it's easy to see why."—*Associated Press*

"Crime fanatics and mystery lovers will love this story. Schaffhausen really nails the genre and the character development beautifully."—*Huffington Post*

Joanna Schaffhausen wields a mean scalpel, skills developed in her years studying neuroscience. She has a doctorate in psychology, which reflects her long-standing interest in the brain—how it develops and the many ways it can go wrong. Previously, she worked for ABC News, writing for programs such as World News Tonight, Good Morning America, and 20/20. She lives in the Boston area with her husband and daughter. *The Vanishing Season* is her first novel.

The Legacy

A Thriller

Yrsa Sigurdardottir

The first in a stunning new series from the author of *The Silence of the Sea*, winner of the 2015 Petrona Award for best Scandinavian Crime Novel.

The Legacy is the first installment in a fantastic new series featuring psychologist Freyja and police officer Huldar, now available in trade paperback.

The only person who might have the answers to a baffling murder case is the victim's seven-year-old daughter, found hiding in the room where her mother died. And she's not talking.

Newly-promoted, out of his depth, detective Huldar turns to Freyja for her expertise with traumatized young people. Freyja, who distrusts the police in general and Huldar in particular, isn't best pleased. But she's determined to keep little Margret safe.

It may prove tricky. The killer is leaving them strange clues: warnings in text messages, sums scribbled on bits of paper, numbers broadcast on the radio. He's telling a dark and secret story—but can they crack the code? And if they do, will they be next?

PRAISE

"A relentlessly paced series launch...Few readers will be able to put down this powerful tale of revenge."—*Publishers Weekly* (starred)

"Nordic mystery writers can raise goose bumps as few others can, and Sigurdardottir shows she's one of the best."—*Booklist* (starred)

"This thriller will have Nordic noir fans turning the pages."—*Library Journal*

YRSA SIGURDARDÓTTIR (pronounced UR-suh SIG-ur-dar-daughter) lives with her family in Reykjavík. She is a director of one of Iceland's largest engineering firms. Her work is climbing bestseller lists all over the world, and films are currently in production for several of her books.

As a Man Thinketh: The Complete Original Edition

With the Bonus Book Mastery of Destiny (Essential Success Classics)

James Allen

Learn to control your thoughts and reshape your life with James Allen's best-selling success book

Originally published in 1903, James Allen's *As A Man Thinketh* reveals the fundamental truth of human nature: "A man is literally what he *thinks*." Allen's deceptively simple principle has changed the lives of millions of readers, making *As A Man Thinketh* a classic bestseller for decades.

Allen explains that our character, identity, ability, and success are all determined by the thoughts in our minds. Instead of finding ourselves victims of the world, there exists within each of us the ability to shape and define our own destinies. Finances, health, social status, and success are all external manifestations of the thoughts that populate our minds. Allen offers his readers an opportunity to seize control of their minds and in doing so create the lives they've always imagined.

This new edition combines *As A Man Thinketh* with another of Allen's companion works, *Mastery of Destiny*. In *Mastery of Destiny* Allen shows that the natural progression of human evolution is away from the evil that results from ignorance and towards ultimate good. Combined in one volume, these two books offer a revolutionary outlook of empowerment.

James Allen was born in Leicester, England, in 1864. He took his first job at age 15 to support his family, after his father was murdered while looking for work in America. Allen was employed as a factory knitter and a private secretary until the early 1900s, when he became increasingly known for his motivational writing. His 1903 work *As a Man Thinketh* earned him worldwide fame as a prophet of inspirational thinking and influenced a who's-who of self-help writers, including Napoleon Hill.

The Hush

A Novel

John Hart

"Hart evokes that surreal landscape with a power and economy worthy of the great British horror novelist Ramsey Campbell."
—*Washington Post*

New York Times bestseller

It's been ten years since the events that changed Johnny Merrimon's life and rocked his hometown to the core. Since then, Johnny has fought to maintain his privacy, but books have been written of his exploits; the fascination remains. Living alone on six thousand acres of once-sacred land, Johnny's only connection to normal life is his old friend, Jack. They're not boys anymore, but the bonds remain. What they shared. What they lost.

But Jack sees danger in the wild places Johnny calls home; he senses darkness and hunger, an intractable intent. Johnny will discuss none of it, but there are the things he knows, the things he can do. A lesser friend might accept such abilities as a gift, but Jack has felt what moves in the swamp: the cold of it, the unspeakable fear.

More than an exploration of friendship, persistence, and forgotten power, *The Hush* leaves all categories behind, and cements Hart's status as a writer of unique power.

PRAISE

"*The Hush* displays Hart at his best.... The author builds on his trademark take on the literary Southern gothic; the result is his most powerful work yet, one that plants a flag at the intersection where William Faulkner and Stephen King meet in unexpected harmony." —*Richmond Times-Dispatch*

"Once again, Hart has given us not only a thriller of the highest order, but also a story about loyalty, friendship, family and love." —*Greensboro News & Record*

"Hart proves his reputation as an Edgar Award-winning wordsmith is well-deserved." —*Library Journal*

JOHN HART is the author of five *New York Times* bestsellers, *The King of Lies*, *Down River*, *The Last Child*, *Iron House*, and *Redemption Road*. The only author in history to win the Edgar Award for Best Novel consecutively, John has also won the Barry Award, the Southern Independent Bookseller's Award for Fiction, the Ian Fleming Steel Dagger Award, and the North Carolina Award for Literature. His novels have been translated into thirty languages and can be found in more than seventy countries.

The Family Next Door

A Novel

Sally Hepworth

A suburban drama about desperate mothers, secrets among neighbors, and the things women keep hidden, from the author of *The Mother's Promise*.

Small, perfect towns often hold the deepest secrets.

From the outside, Essie's life looks idyllic: a loving husband, a beautiful house in a good neighborhood, and a nearby mother who dotes on her grandchildren. But few of Essie's friends know her secret shame: that in a moment of maternal despair, she once walked away from her newborn, asleep in her carriage in a park. Disaster was avoided and Essie got better, but she still fears what lurks inside her, even as her daughter gets older and she has a second baby.

When a new woman named Isabelle moves in next door to Essie, she is an immediate object of curiosity in the neighborhood. Why single, when everyone else is married with children? Why renting, when everyone else owns? What mysterious job does she have? And why is she so fascinated with Essie? As the two women grow closer and Essie's friends voice their disapproval, it starts to become clear that Isabelle's choice of neighborhood was no accident. And that her presence threatens to bring shocking secrets to light.

The Family Next Door is Sally Hepworth at her very best: at once a deeply moving portrait of family drama and a compelling suburban mystery that will keep you hooked until the very last page.

PRAISE

"With jaw-dropping discoveries, and realistic consequences, this novel is not to be missed. Perfect for lovers of *Big Little Lies*." —*Library Journal*, starred review

"Hepworth deftly keeps the reader turning pages and looking for clues, all the while building multilayered characters and carefully doling out bits of their motivations." —*Booklist*

SALLY HEPWORTH is a human resource professional. A graduate of Monash University in Melbourne, Australia, Sally started writing novels after the birth of her first child. Sally has lived around the world, spending extended periods in Singapore, the UK, and Canada, and she now writes full-time from her home in Melbourne, where she lives with her husband and three young children.

Jackie, Janet & Lee

*The Secret Lives of Janet Auchincloss and Her Daughters,
Jacqueline Kennedy Onassis and Lee Radziwill*

J. Randy Taraborrelli

A dazzling biography of three of the most glamorous women of the 20th century: Jacqueline Bouvier Kennedy Onassis, her mother Janet Lee Auchincloss, and her sister, Princess Lee Radziwill.

“Do you know what the secret to happily-ever-after is?” Janet Bouvier Auchincloss would ask her daughters Jackie and Lee during their tea time. “Money and power,” she would say. It was a lesson neither would ever forget. They followed in their mother’s footsteps after her marriages to the philandering socialite “Black Jack” Bouvier and the fabulously rich Standard Oil heir Hugh D. Auchincloss.

Jacqueline Bouvier would marry John F. Kennedy and the story of their marriage is legendary, as is the story of her second marriage to Greek shipping magnate Aristotle Onassis. Less well known is the story of her love affair with a world renowned architect and a British peer. Her sister, Lee, had liaisons with one and possibly both of Jackie's husbands, in addition to her own three marriages—to an illegitimate royal, a Polish prince and a Hollywood director.

If the Bouvier women personified beauty, style and fashion, it was their lust for money and status that drove them to seek out powerful men, no matter what the cost to themselves or to those they stepped on in their ruthless climb to the top. Based on hundreds of new interviews with friends and family of the Bouviers, among them their own half-brother, as well as letters and journals, J. Randy Taraborrelli paints an extraordinary psychological portrait of two famous sisters and their ferociously ambitious mother.

PRaise

“Riveting...Taraborrelli presents a woman of passion, both sexual and emotional, whose facade somehow always remains in place...the magic of Jackie's aura is imperishable to this day...deliciously readable.” —*New York Times Book Review*

“In this revealing biography, Taraborrelli explores the complicated relationship between Jacqueline Bouvier Kennedy Onassis, her mother Janet Lee Auchincloss, and her sister, Princess Lee Radziwill.” —*People magazine*, “Best Books About the Kennedy Family”

J. RANDY TARABORRELLI is the author of nearly 20 biographies, most of which have become *New York Times* bestsellers, including: *Call Her Miss Ross*, *Sinatra—Behind the Legend*, *Madonna—An Intimate Biography*, *Jackie*, *Ethel*, *Joan—Women of Camelot*, *Elizabeth*, (a biography of Elizabeth Taylor); *The Secret Life of Marilyn Monroe* and *After Camelot—A Personal History of the Kennedy Family 1968 to the Present*, which has been adapted as a mini-series for Reelz airing in April 2017.

All Roads End Here

David Moody

The second book in the new series from *Hater* author David Moody is perfect for readers of John Maberry and Max Brooks

Set in the world of David Moody's *Hater* trilogy, *All Roads End Here* is the sequel to the "top drawer horror" (*Booklist*, starred review) *One of Us Will Be Dead by Morning*.

It's taken Matthew Dunne almost three months to get home. Never more than a few meters from the Haters at any time, every single step has been fraught with danger. But he's made it.

In his absence, his home city has become a sprawling, walled-off refugee camp. But the camp—and the entire world beyond its borders—is balanced on a knife-edge. During his time in the wilderness, Matt developed a skill which is in high demand: the ability to anticipate and predict Hater behavior. It's these skills that will thrust him into a web of subterfuge and danger. As the pressure mounts inside the camp, he finds himself under scrutiny from all sides.

He's always done his best to avoid trouble, but sometimes it can't be helped. The shit's about to hit the fan, and this time Matt's right at the epicenter.

All Roads End Here is a fast-paced, and wonderfully dark story about humanity's fight for survival in the face of the impending apocalypse.

PRAISE

Praise for *One of Us Will Be Dead by Morning*:

"Moody really knows how to write creeping, claustrophobic terror, effectively sneaking up on his readers and, finally, scaring the life out of them. Top-drawer horror." —*Booklist*, starred review

"A bloody fun ride... Another network nightmare that should delight fans of Haters and intrigue writers who wallow in the genre." —*Kirkus Reviews*

From the UK, DAVID MOODY first self-published *Hater* on the internet in 2006, and without an agent, succeeded in selling the film rights for the novel to Mark Johnson (producer, *The Chronicles of Narnia* film series) and Guillermo Del Toro (director, *Hellboy*, *Pan's Labyrinth*). With the publication of a new series of *Hater* stories, Moody is poised to further his reputation as a writer of suspense-laced SF/horror, and "farther out" genre books of all description.

The Military Wife

Heart of a Hero

Laura Trentham

An emotionally layered novel about family, loss and what it means to be a military wife.

Harper Lee Wilcox has been marking time in her hometown of Kitty Hawk, North Carolina since her husband, Noah Wilcox's death, nearly five years earlier. With her son Ben turning five and living at home with her mother, Harper fights a growing restlessness, worried that moving on means leaving the memory of her husband behind.

Her best friend, Allison Teague, is dealing with struggles of her own. Her husband, a former SEAL that served with Noah, was injured while deployed and has come home physically healed but fighting PTSD. With three children under foot and unable to help her husband, Allison is at her wit's end.

In an effort to reenergize her own life, Harper sees an opportunity to help not only Allison but a network of other military wives eager to support her idea of starting a string of coffee houses close to military bases around the country.

In her pursuit of her dream, Harper crosses paths with Bennett Caldwell, Noah's best friend and SEAL brother. A man who has a promise to keep, entangling their lives in ways neither of them can foresee. As her business grows so does an unexpected relationship with Bennett. Can Harper let go of her grief and build a future with Bennett even as the man they both loved haunts their pasts?

PRAISE

"Fans of Kristan Higgins and Susan Mallery will love the immersive world that Trentham has created." - *Booklist on When the Stars Come Out*

LAURA TRENTHAM is an award-winning author of contemporary and historical romance. She is a member of RWA, and has finished multiple times in the Golden Heart competition. A chemical engineer by training and a lover of books by nature, she lives in South Carolina.

So Close to Being the Sh*t, Y'all Don't Even Know

Retta

In her hilarious book of essays, *Parks and Recreation*, *Girlfriends' Guide to Divorce*, and *Good Girls* star Retta shares the stories that led to her success in Hollywood.

In *So Close to Being the Sh*t, Y'all Don't Even Know*, *Parks and Recreation* star Retta takes us on her not-so-meteoritic rise from roaches to riches (well, rich enough that she can buy \$15,000 designer handbags yet scared enough to know she's always a heartbeat away from ramen with American cheese).

Throwing her hard-working Liberian parents for a loop, Retta abandons her plan to attend med school after graduating Duke University to move to Hollywood to star in her own sitcom—like her comedy heroes Lucille Ball and Roseanne.

Say what? Word. Turns out Retta might actually be on to something. After winning Comedy Central's stand-up competition, she should be ready for prime time—but a fear of success derails her biggest dream.

Whether reminiscing about her days as a contract chemist at GlaxoSmithKline, telling “dirty” jokes to Mormons, feeling like the odd man out on *Parks*, fending off racist trolls on Twitter, flirting with Michael Fassbender, or expertly stalking the cast of “Hamilton,” Retta's unique voice and refreshing honesty will make you laugh, cry, and laugh so hard you'll cry.

Her eponymous sitcom might not have happened yet, but by the end of *So Close to Being the Sh*t*, you'll be rooting for Retta to be the next one-named wonder to take over your television.

PRAISE

“Whether recalling her early years doing stand-up on the college circuit, expounding on the ways TV shows reflect us, or fangirling hard for the musical *Hamilton*, comedian and actor Retta spins entertaining tales and hilarious phrases.... As books like this one go, hers is as honest, funny, and fun to read as they come.” —*Booklist*

**“A humorous memoir that will please the author's many fans and followers.”
—*Kirkus Reviews***

MARIETTA SIRLEAF, better known simply as Retta, is an American stand-up comedian and actress. She is known for her role as Donna Meagle on NBC's *Parks and Recreation*. She has appeared in several films and television shows, and has performed stand-up on Comedy Central's *Premium Blend*. She is currently in a series regular on *Good Girls*.

Our Little Secret

A Novel

Roz Nay

"A cracking read...*Our Little Secret* builds to a deliciously dark conclusion." —Ruth Ware, *New York Times* bestselling author of *The Woman in Cabin 10*

They say you never forget your first love. What they don't say, though, is that sometimes your first love won't forget you...

Angela Petitjean sits in a cold, dull room. The police have been interrogating her for hours, asking about Saskia Parker. She's the wife of Angela's high school sweetheart, HP, and the mother of his child. She has vanished. Homicide Detective J. Novak believes Angela knows what happened to Saskia. He wants the truth, and he wants it now.

But Angela has a different story to tell. It began more than a decade ago when she and HP met in high school in Cove, Vermont. She was an awkward, shy teenager. He was a popular athlete. They became friends, fell in love, and dated senior year. Everything changed when Angela went to college. When time and distance separated them. When Saskia entered the picture.

That was eight years ago. HP foolishly married a drama queen, and Angela moved on with her life. Whatever marital rift caused Saskia to leave her husband has nothing to do with Angela. Nothing at all. Detective Novak needs to stop asking questions and listen to what Angela is telling him. And once he understands everything, he'll have the truth he so desperately wants.

PRAISE

"A sneaky-smart, charismatic debut that will win fans among those who enjoy...Ruth Ware, Sophie Hannah, and Erin Kelly." —*Booklist* (starred review)

"Fans of Paula Hawkins and Ruth Ware will devour this twisty psychological thriller." —*Library Journal* (starred review)

"[A] mesmerizing debut...Nay expertly spins an insidious, clever web, perfectly capturing the soaring heights and crushing lows of first love and how the loss of that love can make even the sanest people a little crazy. Carve out some time for this riveting, one-sitting read." —*Kirkus Reviews*

ROZ NAY grew up in England and studied at Oxford University. She has been published in *The Antigone Review* and the anthology *Refuge*. Roz has worked as an underwater fish counter in Africa, a snowboard videographer in Vermont, and a high school teacher in both the UK and Australia. She now lives in British Columbia, Canada, with her husband and two children. This is her first novel.

Not That I Could Tell

A Novel

Jessica Strawser

The second novel from Jessica Strawser that *Booklist* says "will appeal to fans of Liane Moriarty and Jennifer Kitses," now in trade paperback.

When a group of neighborhood women gathers, wine in hand, around a fire pit where their backyards meet one Saturday night, most of them are just ecstatic to have discovered that their baby monitors reach that far. It's a rare kid-free night, and they're giddy with it. They drink too much, and the conversation turns personal.

By Monday morning, one of them is gone.

Everyone knows something about everyone else in the quirky small Ohio town of Yellow Springs, but no one can make sense of the disappearance. Kristin was a sociable twin mom, college administrator, and doctor's wife who didn't seem all that bothered by her impending divorce—and the investigation turns up more questions than answers, with her husband, Paul, at the center. For her closest neighbor, Clara, the incident triggers memories she thought she'd put behind her—and when she's unable to extract herself from the widening circle of scrutiny, her own suspicions quickly grow. But the neighborhood's newest addition, Izzy, is determined not to jump to any conclusions—especially since she's dealing with a crisis of her own.

As the police investigation goes from a media circus to a cold case, the neighbors are forced to reexamine what's going on behind their own closed doors—and to ask how well anyone *really* knows anyone else.

PRAISE

"[An] engrossing, taut tale." —*Publishers Weekly*

"Strawser tackles the secrets of suburbia, domestic abuse, and friendship in a gripping story about a neighboring family gone missing. The characters are unique, engaging, and relatable and the ending is both surprising and poignant. Fans of Liane Moriarty will adore Jessica Strawser; she's a huge talent!" —Kate Moretti, *New York Times* bestselling author of *The Blackbird Season*

"Surprising and entertaining, *Not That I Could Tell* is a riveting story of secrets and suburbia." —*Buzzfeed*, "5 Suspenseful Thrillers for Fans of Ruth Ware"

JESSICA STRAWSER (jessicastrawser.com) is the editorial director of *Writer's Digest* magazine and the author of *Almost Missed You*, named to Barnes & Noble's Best New Fiction list for March 2017 and *PopSugar*'s Best Spring Reads. She has written for *The New York Times* Modern Love, *Publishers Weekly* and other fine venues, and lives with her husband and two children in Cincinnati.

The English Wife

A Novel

Lauren Willig

From *New York Times* bestselling author, Lauren Willig, comes this scandalous novel full of family secrets, affairs, and even murder.

Annabelle and Bayard Van Duyvil live a charmed life in New York: he's the scion of an old Knickerbocker family, she grew up in a Tudor house in England, they had a fairytale romance in London, they have three-year-old twins on whom they dot, and he's recreated her family home on the banks of the Hudson and named it Illyria.

Yes, there are rumors that she's having an affair with the architect, but rumors are rumors and people will gossip. But then Bayard is found dead with a knife in his chest on the night of their *Twelfth Night* ball, Annabelle goes missing, presumed drowned, and the papers go mad.

Bay's sister, Janie, forms an unlikely alliance with a reporter to try and uncover the truth, convinced that Bay would never have killed his wife, that it must be a third party. But the more she learns about her brother and his wife, the more everything she thought she knew about them starts to unravel. Who were her brother and his wife, really? And why did her brother die with the name George on his lips?

The English Wife is another stunning novel by *New York Times* bestselling author Lauren Willig that bestselling author Jennifer Robson calls "her best book yet."

PRAISE

"A dark and scintillating tale." -Pam Jenoff, *New York Times* bestselling author of *The Orphan's Tale*

"A gorgeous gem of a novel." -Karen White, *New York Times* bestselling author of *The Night the Lights Went Out*

**"The pages fly fast and furious in this thoroughly engaging, suspenseful yarn."
—*Booklist***

"Willig has a knack for creating sympathetic characters and fully fleshed settings, adding some juicy plot twists to this atmospheric period piece." — *Kirkus Reviews*

"A dark, romantic mystery full of twists and turns." — *Library Journal*

LAUREN WILLIG is also the author of the *New York Times* bestselling Pink Carnation series and a RITA Award-winner for Best Regency Historical for *The Mischief of the Mistletoe*. A graduate of Yale University, she has a graduate degree in English history from Harvard and a J.D. from Harvard Law School. She lives in New York City, where she now writes full time.

Second Nature

The Legacy of Ric Flair and the Rise of Charlotte

Ric Flair and Charlotte with Brian Shields

A father-daughter autobiography from the WWE Superstar Champion "The Nature Boy" Ric Flair himself and his talented daughter Charlotte, a WWE Superstar Champion on the rise.

For the father-daughter duo of Ric and Charlotte Flair, sports entertainment is *Second Nature*, but with success comes a price. Following *WrestleMania XXIV* in 2008, the incomparable "Nature Boy" soaked in the adulation from the WWE Universe with tears in his eyes and his daughter Ashley watching proudly from ringside. Ric's emotional retirement marked the end of a four-decade journey thought by many to be the greatest wrestling career in history.

But for Ric and Ashley, now known as Charlotte, another journey was set to begin, one punctuated by unsettling struggles, unspeakable tragedy and incredible triumph. Like a knife-edge chop to the chest, this brutally honest dual memoir details the trials and tribulations as one champion recaptures his enduring greatness while another embraces the challenge to usurp his place atop WWE.

Hear from the original limousine ridin' 16-time World Champ as he reflects on his turbulent life away from the cameras. Get the real story from "Naitch" himself as well as Charlotte's eye-opening perspective as she recalls living in her famous father's shadow, rising above her own unique challenges and the gravity of carrying on the Flair legacy. Follow two generations of WWE royalty and learn how their parallel paths come together as they learn to lean on each other on the road to glory, redemption and the bright lights of *WrestleMania*.

PRAISE

"There's nothing better than getting a 2 for 1 deal, and with WWE Publishing's latest offering *Second Nature*, you get just that." —*Miami Herald.com*

"Divided into two sections, first the elder Flair, then his daughter, share candidly the unscripted realities of life as pro wrestling superstars." —*huffingtonpost.com*

"A must-read." —*Orlando Sentinel*

RICHARD MORGAN FLIEHR aka "Nature Boy" Ric Flair is a 16-time sports entertainment World Champion. He began his career with the AWA in 1972. He was the backbone of the NWA/WCW for over two decades and leader of the Four Horsemen. He's the only man to be inducted into the WWE Hall of Fame twice.

ASHLEY ELIZABETH FLIEHR aka Charlotte is Ric Flair's daughter. She made a name for herself as the NXT Women's Champion before ascending to WWE's main roster and claiming the WWE Women's Championship.

A Dangerous Woman

American Beauty, Noted Philanthropist, Nazi Collaborator—The Life of Florence Gould

Susan Ronald

A revealing biography of Florence Gould, fabulously wealthy socialite and patron of the arts, who hid a dark past as a Nazi collaborator in 1940's Paris.

Born in turn-of-the-century San Francisco to French parents, Florence moved to Paris, aged eleven. Believing that only money brought respectability and happiness, she became the third wife of Frank Jay Gould, son of the railway millionaire Jay Gould. She guided Frank's millions into hotels and casinos, creating a luxury hotel and casino empire. She entertained Zelda and Scott Fitzgerald, Pablo Picasso, Joseph Kennedy, and many Hollywood stars, like Charlie Chaplin, who became her lover. While the party ended for most Americans after the Crash of 1929, Frank and Florence refused to go home. During the Occupation, Florence took several German lovers and hosted a controversial salon. As the Allies closed in, the unscrupulous Florence became embroiled in a notorious money laundering operation for fleeing high-ranking Nazis.

Yet after the war, not only did she avoid prosecution, but her vast fortune bought her respectability as a significant contributor to the Metropolitan Museum and New York University, among many others. It also earned her friends like Estée Lauder who obligingly looked the other way. A seductive and utterly amoral woman who loved to say "money doesn't care who owns it", Florence's life proved a strong argument that perhaps money can buy happiness after all.

PRAISE

"Energetic...Ronald's group portrait is breath-taking and quite modern." —*New York Times Book Review*

"A lively picture of the world in which Florence moved, with all its intricate financial shenanigans, rivalrous investors and glittering social occasions." —*Wall Street Journal*

"Ronald traces Gould's amoral life and high-flying times...elegant and beautiful, she used sex and charm as her currency." —*New York Post*

Born and raised in the United States, SUSAN RONALD has lived in England for more than twenty-five years. She is the author of several books, including *Hitler's Art Thief* and *Heretic Queen*.

After Anna

Lisa Scottoline

From the *New York Times* bestselling author, a riveting novel of suspense and emotional justice.

Nobody cuts deeper than family...

Dr. Noah Alderman, a widower and single father, has remarried a wonderful woman, Maggie Ippolitti, and for the first time in a long time, he and his young son are happy. Despite her longing for the daughter she hasn't seen since she was a baby, Maggie is happy too, and she's even more overjoyed when she unexpectedly gets another chance to be a mother to the child she thought she'd lost forever, her only daughter Anna.

Maggie and Noah know that having Anna around will change their lives, but they would never have guessed that everything would go wrong, and so quickly. Anna turns out to be a gorgeous seventeen-year-old who balks at living under their rules, though Maggie, ecstatic to have her daughter back, ignores the red flags that hint at the trouble brewing in a once-perfect marriage and home.

Events take a heartbreaking turn when Anna is murdered and Noah is accused and tried for the heinous crime. Maggie must face not only the devastation of losing her daughter, but the realization that Anna's murder may have been at the hands of a husband she loves. In the wake of this tragedy, new information drives Maggie to search for the truth, leading her to discover something darker than she could have ever imagined.

PRAISE

Praise for Lisa Scottoline:

"An intense, breathless ride." —Jodi Picoult

"Scottoline grabs her readers by the jugular and won't let go." —Library Journal (Starred Review)

"Lisa Scottoline is one of the very best writers at work today." —Michael Connelly

"A virtuoso of suspense, fast action, and intricate plot." —The Washington Post

LISA SCOTTOLINE is the *New York Times* bestselling and Edgar Award-winning author of the Rosato & DiNunzio series, *After Anna*, and many others. She has 30 million copies of her books in print, has been published in 35 countries, and her thrillers have been optioned for film. Lisa also writes a weekly column with her daughter, Francesca Serritella, for *The Philadelphia Inquirer*. Those critically acclaimed stories have been adapted into a series of memoirs. Between the Lies

Michelle Adams

In the vein of Allison Brennan, a novel of psychological suspense where a woman who's lost her memory is back home with a family she doesn't know—who are keeping secrets of their own.

The truth is hiding between the lies.

A page-turning psychological thriller with twists that keep the reader guessing until last page, this addictive read will be loved by fans of Shari Lapena's *A STRANGER IN THE HOUSE* and Liz Lawler's *DON'T WAKE UP*.

What would you do if you woke up and didn't know who you were?

Chloe Daniels regains consciousness in a hospital with no memory of how she got there.

She doesn't recognise the strangers who call themselves family. She can't even remember her own name.

What if your past remained a mystery?

As she slowly recovers, her parents and sister begin to share details of her life.

The successful career. The seaside home. The near-fatal car crash.

But Chloe senses they're keeping dark secrets - and her determination to uncover the truth will have devastating consequences.

What if the people you should be able trust are lying to you?

MICHELLE ADAMS is a British writer living abroad in Cyprus for the last four years. She is a part-time scientist and has published six science fiction novels under a pseudonym, including a YA dystopian series.

The Italian Party

A Novel

Christina Lynch

A delicious and sharply funny page-turner about “innocent” Americans abroad in 1950s Siena, Italy.

The Italian Party is a sneaky book: half glamorous fun, half an examination of America’s role in the world. Scottie and Michael, young newlyweds arriving in Siena in 1956, are seduced by Tuscany’s famous beauty and the sensory experience of a summer in the ancient city. But their reasons for being there—and the secrets they are keeping from each other—force them beneath the beautiful surface to a more complex view of Italy, America, and each other.

When Scottie’s Italian teacher, a teenager with secrets of his own, goes missing, her search for him leads her to discover other, darker truths about herself, her husband, and her country. Michael’s dedication to saving the world from communism crumbles as he begins to see that he is a pawn in a much different game. Driven apart by lies, Michael and Scottie must find their way through a maze of history, memory, hate, and love to a new kind of complicated truth.

Filled with sun-dappled pasta lunches, Prosecco, handsome locals, and horse racing, *The Italian Party* is a smart pleasure.

PRAISE

“Deeply funny.” —*The New York Times Book Review Podcast*

“Tremendous fun...Teeming with seduction and spycraft.” —Chris Pavone, *New York Times* bestselling author of *The Travelers*

“Like the best Italian paintings, this smart and funny book deftly combines the light and the dark. Christina Lynch’s prose pairs well with any hearty Tuscan red.” —Conan O’Brien

“Imagine *Beautiful Ruins* plus horses; *Toujours Provence* with spies, a mystery and sex. A fizzy, page-turning delight that begs for a Campari and soda!” —Julia Claiborne Johnson, author of *Be Frank With Me*

“A sweltering thriller set against the backdrop of what is probably your dream getaway...”

CHRISTINA LYNCH’s picturesque journey includes chapters at Harvard, where she was an editor on the *Harvard Lampoon*, and in Milan, where she was correspondent for *W* magazine and *Women’s Wear Daily*, and disappeared for four years in Tuscany. In L.A. she was on the writing staff of *Unhappily Ever After*; *Encore, Encore*; *The Dead Zone*; and *Wildfire*. She now lives in the foothills of the Sierra Nevada and teaches at College of the Sequoias. *The Italian Party* is her debut novel.

The Druidcraft Tarot

Philip Carr-Gomm and Bill Worthington

BODY, MIND & SPIRIT / DIVINATION / TAROT

St. Martin's Essentials | 3/19/2019
9781250307422 | \$27.99 / \$34.50 Can.
Trade Paperback | 192 pages

Subrights: UK: Eddison Books
Translation: Eddison Books

A new edition of a classic tarot which brings two fundamental spiritualities of Nature—Wicca and Druidry—to the ancient art of the tarot.

For the past 15 years, *The Druidcraft Tarot* has been one of the most popular and most recommended tarots. Blending the ancient traditions of the tarot with the imagery and wisdom of Nature-based spiritualities, *The Druidcraft Tarot* is a beautifully illustrated deck with a book to guide both beginners and long-standing practitioners to a deeper reading.

Philip Carr-Gomm is one of the most prominent figures in the Mind, Body and Spirit (MBS) pagan movement, having been the leader of the largest international druid organization for almost thirty years. With his collaborators, Stephanie Carr-Gomm and Will Worthington, he has created a tarot that draws upon tarot's relationship to both druidry and wicca, drawing upon the primal essence that lies at the heart of each of these systems. With a fully illustrated book explaining the relationship between the card and the teachings of druidry and wicca, along with 78 beautifully illustrated major and minor arcana cards, *The Druidcraft Tarot* is a modern classic tarot.

PHILIP CARR-GOMM is a psychologist, a leading figure in the modern neo-pagan movement, and is the leader of the largest international druidcraft organization. He has published a half dozen books and lectures widely on the topic. He and Stephanie Carr-Gomm were initiated into both Druidry and Wicca and together they have written *The Druid Animal Oracle*. WILL WORTHINGTON has worked as an illustrator for over twenty years. His work includes *The Druid Animal Oracle*.

Never Get Angry Again

The Foolproof Way to Stay Calm and in Control in Any Conversation or Situation

David J. Lieberman, Ph.D.

A comprehensive, holistic look at the underlying emotional, physical, and spiritual causes of anger, and what the reader can do to gain perspective allowing them to never get angry again.

Take a deep breath and count to ten. Meditate. Visualize your happy place.

You've probably heard all of these anger management techniques and more from friends, family, and experts, but somehow they miss the mark when it comes to coping with the complex emotion of anger.

Let's face it: if anger-management techniques were effective, you wouldn't be reading this book. These clumsy attempts to maintain calmness are usually futile and sometimes emotionally draining. The fact is, either something bothers us (causing anxiety, frustration, or anger), or it doesn't. A state of calm is better accomplished by not becoming agitated in the first place. When we fight the urge to blow up or melt down, we fight against our own nature.

Internationally bestselling author David J. Lieberman understands that a change in perspective is all that is needed to help keep from flying off the handle. In *Never Get Angry Again*, he illuminates the underlying emotional, spiritual, and physical components of anger, and gives the readers simple, practical tools to snuff out anger before it even occurs.

PRAISE

"An essential instruction manual for anger management, but also a detailed work on how to get along with other people."—*Library Journal* (starred review)

"Ever wish you could win people over to your point of view, no matter how crazy your idea? You can, with these [tools] to successful persuasion." —*Self* magazine on *Get Anyone to do Anything*

"It cuts to the chase presenting simple, concise techniques...useful strategies rooted in basic human psychology and supported by numerous studies." —*Publishers Weekly* on *Get Anyone to Do Anything*

DAVID J. LIEBERMAN, Ph.D. is a *New York Times* bestselling and award-winning author and internationally recognized leader in the fields of human behavior and interpersonal relationships. His eleven books have been translated into 26 languages and have sold more than 3 million copies. His work has been featured in hundreds of major publications, and he appears as a frequent guest expert on national media outlets, including *The Today Show*, *The View*, *The O'Reilly Factor*, and *Fox & Friends*.

Husbands That Cook

More Than 120 Irresistible Vegetarian Recipes and Tales from Our Tiny Kitchen

Ryan Alvarez and Adam Merrin

From the award-winning bloggers behind *Husbands That Cook*, never-before-seen vegetarian recipes inspired by the husbands' travel, relationship, and entertaining

Today more people are discovering the benefits of healthy eating and plant-based diets, and Ryan Alvarez and Adam Merrin, the authors behind the award-winning blog *Husbands that Cook*, are ready to show just how easy and delicious eating healthy can be.

Each chapter in *Husbands That Cook* is filled with inventive recipes that are so satisfying and flavorful that no one will miss the meat. In this all-purpose cookbook, you will find more than 120 new, unreleased recipes, including quick, easy, and flavorful meatless entrees, sides, breakfasts, drinks, and snacks; rich, chocolatey, decadent desserts; tasty and healthy vegan and gluten-free options; some of the husbands' favorite dishes from their travels around the world; and a few of the most beloved recipes from the blog.

Cooking has always been a central part of Adam and Ryan's relationship, and that's where a unique, narrative element comes into play. Many of the recipes in the book represent significant moments in their love story. From the Coconut Curry with Chickpeas and Cauliflower inspired by their first date at a shopping mall food court, to the Communication Breakdown Carrot Cake—one of their biggest kitchen disasters—many recipes are all a behind-the-scenes glimpse into their relationship, accompanied by vibrant photography and helpful cooking tips to make sure your dishes turn out perfectly every time.

PRAISE

Praise for the Husbands:

"[Ryan and Adam's] feed is stuffed with gorgeous shots of their eating and drinking adventures." —*Imbibe Magazine*

"A few of our favorite foodies." —Ellen Miller, Whole Foods Market blog

ADAM MERRIN and RYAN ALVAREZ are two husbands that cook together in a small kitchen in a house on a hill in Eagle Rock, California and the men behind the popular blog *Husbands that Cook*. Since its inception in 2015, *Husbands That Cook* was a 2016 *Saveur* Blog Awards Finalist for Best How-To Cooking Blog and a 2017 Taste Talks Awards Nominee for Best Food Blog. When they're not cooking, they love being in nature, hiking, and spending time in their garden.

A Death of No Importance

A Mystery

Mariah Fredericks

Through exquisite prose, sharp observation, and deft plotting, Mariah Fredericks invites us into the heart of a changing New York in her remarkable debut adult novel.

This trade paperback is part of the Minotaur Signature Editions program.

New York City, 1910. Invisible until she's needed, Jane Prescott has perfected the art of serving as a ladies' maid to the city's upper echelons. When she takes up a position with the Benchley family, dismissed by the city's elite as "new money", Jane realizes that while she may not have financial privilege, she has a power they do not—she understands the rules of high society. The Benchleys cause further outrage when their daughter Charlotte becomes engaged to notorious playboy Norrie, the son of the eminent Newsome family.

But when Norrie is found murdered at a party, Jane is uniquely positioned to find his killer—she's a woman no one sees, but who witnesses everything. There are many with grudges to bear: from the family Norrie was supposed to marry into, to the survivors of a tragic accident in a mine owned by the Newsomes, to the rising anarchists who are sick of those born into wealth getting away with anything they want. Jane also knows that in both worlds, morals become cheap in the wrong hands: scandal and violence simmer just beneath the surface—and can break out at any time.

PRAISE

"A sparkling mystery . . . The novel's voice, plotting, pace, characterization, and historical background are all expertly crafted, while the resolution—which feels both surprising and convincing—will leave readers hungry for more."—Publishers Weekly (starred)

"Jane is an appealing amateur sleuth . . . With its vivid depiction of contrasting worlds this series debut should appeal to readers of Alyssa Maxwell's 'Gilded Age' historical mysteries."—Library Journal (starred)

MARIAH FREDERICKS was born and raised in New York City, where she still lives with her family. She is the author of several YA novels. *A Death of No Importance* is her first adult novel.

The Echo Killing

A Mystery

Christi Daugherty

When a murder echoing a fifteen-year-old cold case rocks the Southern town of Savannah, crime reporter Harper McClain risks everything to find the identity of this calculated killer.

A city of antebellum architecture, picturesque parks, and cobblestone streets, Savannah moves at a graceful pace. But for Harper McClain, the timeless beauty and culture that distinguishes her home's Southern heritage vanishes during the dark and dangerous nights. She wouldn't have it any other way. Not even finding her mother brutally murdered in their home when she was twelve has made her love Savannah any less.

Her mother's killer was never found, and that unsolved murder left Harper with an obsession that drove her to become one of the best crime reporters in the state of Georgia. She spends her nights with the police, searching for criminals. Her latest investigation takes her to the scene of a homicide where the details are hauntingly familiar: a young girl being led from the scene by a detective, a female victim naked and stabbed multiple times in the kitchen, and no traces of any evidence pointing towards a suspect.

Harper has seen all of this before in her own life. The similarities between the murder of Marie Whitney and her own mother's death lead her to believe they're both victims of the same killer. At last, she has the chance to find the murderer who's eluded justice for fifteen years and make sure another little girl isn't forever haunted by a senseless act of violence—even if it puts Harper in the killer's cross-hairs...

PRAISE

***"The Echo Killing won me over utterly, from its lush southern setting, to the determined, vulnerable Harper and her dogged search for the truth."* —Ruth Ware**

***"A smart, tough, emotionally bruising portrayal of what murder means when it's up close and personal. A terrific book. Brava."* —Carolyn Hart**

***"Excruciatingly suspenseful."* —Laura Childs**

***"I don't remember breathing the whole time I read *The Echo Killing*."* —Rhys Bowen**

As a crime reporter, CHRISTI DAUGHERTY saw her first dead body at the age of 22. Over the years there would be many more while she covered murders in cities like Savannah, Baton Rouge, and New Orleans. Her writing eventually took her to England, where she wrote the Night School series of thrillers for young adults under the name CJ Daugherty. *The Echo Killing* is her first adult novel. She resides in the south of England.

The Fleur de Sel Murders

A Brittany Mystery

Jean-Luc Bannalec

Commissaire Dupin is back on the case in this atmospheric mystery from international bestselling author Jean-Luc Bannalec.

The old salt farmers have always said that the violet scent of the Fleur de Sel at harvest time on the salt marshes of the Guérande Peninsula has been known to cause hallucinations. Commissaire Dupin also starts to believe this when he's attacked out of the blue in the salt works.

He had actually been looking forward to escaping his endless paperwork and taking a trip to the "white country" between the raging Atlantic Ocean and idyllic rivers. But when he starts snooping around mysterious barrels on behalf of Lilou Breval, a journalist friend, he finds himself unexpectedly under attack. The offender remains a mystery, and a short time later, Breval disappears without a trace. It is thanks to his secretary Nolwenn and the ambition of the prefect that Dupin is assigned to the case. But he won't be working alone because Sylvaine Rose is the investigator responsible for the department—and she lives up to her name....

What's going on in the salt works? Dupin and Rose search feverishly for clues and stumble upon false alibis, massive conflicts of interest, personal feuds—and ancient Breton legends.

PRAISE

Praise for the series:

"Roll over Maigret. Commissaire Dupin has arrived." —M.C. Beaton

"Francophiles and art lovers will welcome Bannalec's good old-fashioned detective story set in Brittany... Bannalec excels at plotting and pacing, as well as vivid descriptions of the Finistère countryside." —Publishers Weekly (Starred Review)

"Very satisfying...along the lines of Martin Walker's novels set in Dordogne, or M.L. Longworth's Aix-en-Provence mysteries." —Booklist

JEAN-LUC BANNALEC divides his time between Germany and coastal Brittany, France. He is also the author of *Death in Brittany* and *Murder on Brittany Shores*.

Lyndon Johnson and the American Dream

The Most Revealing Portrait of a President and Presidential Power Ever Written

Doris Kearns Goodwin; With a New Foreword by the Author

An engrossing biography of President Lyndon Johnson from the Pulitzer Prize-winning author of *Team of Rivals*

Hailed by the *New York Times* as “the most penetrating, fascinating political biography I have ever read,” Doris Kearns Goodwin’s extraordinary and insightful book draws from meticulous research in addition to the author’s time spent working at the White House from 1967 to 1969.

After Lyndon Johnson’s term ended, Goodwin remained his confidante and assisted in the preparation of his memoir. In *Lyndon Johnson and the American Dream*, she traces the 36th president’s life from childhood to his early days in politics, and from his leadership of the Senate to his presidency, analyzing his dramatic years in the White House, including both his historic domestic triumphs and his failures in Vietnam.

Drawn from personal anecdotes and candid conversation with Johnson, Goodwin paints a rich and complicated portrait of one of our nation’s most compelling politicians.

PRAISE

“The most penetrating, fascinating political biography I have ever read . . . No other President has had a biographer who had such access to his private thoughts.” —*The New York Times*

“Magnificent, brilliant, illuminating...A profound analysis of both the private and the public man.” —*Miami Herald*

“Kearns has made Lyndon Johnson so whole, so understandable that the impact of the book is difficult to describe. It might have been called 'The Tragedy of Lyndon Johnson,' for he comes to seem nothing so much as a figure out of Greek tragedy.” —*Houston Chronicle*

DORIS KEARNS GOODWIN is a celebrated historian and the author of *Team of Rivals*, *The Fitzgeralds and the Kennedys*, *Lyndon Johnson and the American Dream*, and other bestsellers. She lives in Concord, Massachusetts, with her husband and their three sons.

Dirt Is Good

The Advantage of Germs for Your Child's Developing Immune System

Jack Gilbert, Ph.D., and Rob Knight, Ph.D., with Sandra Blakeslee

From two of the world's top scientists and one of the world's top science writers (all parents) comes a q&a-based guide to everything you need to know about kids & germs.

“Is it OK for my child to eat dirt?”

That’s just one of the many questions authors Gilbert and Knight are bombarded with every week from parents all over the world. “My two-year-old gets constant ear infections. Should I give her antibiotics? Or probiotics?”; “I heard that my son’s asthma was caused by a lack of microbial exposure. Is this true, and if so what can I do about it now?”

Google these questions, and you’ll be overwhelmed with answers. The internet is rife with speculation and misinformation about the risks and benefits of what most parents think of as simply germs, but which scientists now call the microbiome: the combined activity of all the tiny organisms inside our bodies and the surrounding environment that have an enormous impact on our health and well-being. Who better to turn to for answers than Jack Gilbert and Rob Knight, two of the top scientists leading the investigation into the microbiome—an investigation that is producing fascinating discoveries and bringing answers to parents who want to do the best for their young children.

PRAISE

“A deeply informed, fascinating and fun guide for parents, healthcare professionals and anyone else interested in the latest microbiome research, from two of the nation’s leading researchers.” —Ted Anton, Professor of English at DePaul University and author of *Planet of Microbes: The Perils and Potential of Earth’s Essential Life Forms*.

JACK GILBERT, PhD is a Professor of Surgery and Director of the Microbiome Center at University of Chicago, Argonne National Laboratory and The Marine Biological Laboratory. ROB KNIGHT, PhD is Professor of Pediatrics and Computer Science & Engineering and Director of the Center for Microbiome Innovation at the University of California, San Diego.

SANDRA BLAKESLEE has worked for the *New York Times* for nearly 45 years, winning multiple journalism awards.

Where There's Hope

Healing, Moving Forward, and Never Giving Up

Elizabeth Smart

New York Times bestselling author, activist, and ABC News contributor Elizabeth Smart empowers those who have experienced trauma to reclaim their lives and move forward with hope.

In her fearless memoir, *My Story*, Elizabeth Smart related, for the first time, the horrific experiences she went through as a fourteen-year-old girl, when she was abducted from her home and held captive for nine months. Since then, she's travelled the world as the president of the Elizabeth Smart Foundation, sharing her story in the hopes of helping others along the way.

Over and over, Elizabeth hears the same question from women who've gone through horrible experiences: How do you find the hope to go on? In this powerful book, she seeks out others who have overcome adversity to help find the answers. Through conversations with victims of violence, disease, war, and the loss of loved ones, Elizabeth explores the meaning and power of hope to heal our lives.

Through discussions with well-known figures like Anne Romney and Diane Von Furstenburg, spiritual leaders like Archbishop John C. Wester and Elder Richard Hinckley, and her own parents, Ed and Lois Smart, Elizabeth gives readers the tools they need to take control and embrace life.

PRAISE

"Elizabeth's message really shines through...the stories throughout this book remind us that hope comes in many forms." —Jaycee Dugard, *New York Times* bestselling author of *A Stolen Life* and *Freedom: My Book of Firsts*

On *My Story*:

"A survival yarn in the vein of *The Island of the Blue Dolphins*...Its power lies in the way Smart presents herself, as a pure girl who emerged from degradation purer still." —*The New Yorker*

"As compelling as it is disturbing. [Smart's] stoic Mormon faith...will both inspire and mystify readers." —*Boston Globe*

ELIZABETH SMART is an American activist, president of the Elizabeth Smart Foundation, and *New York Times* bestselling author of *My Story*. She first gained widespread attention at age fourteen when she was kidnapped from her home and rescued nine months later.

Every Day I'm Hustling

Vivica A. Fox

Inspirational life lessons from the actress Vivica Fox — learned from creating a lasting career completely on her own, through sheer, roll-up-your-sleeves DIY hustle.

Vivica A. Fox is a dynamo who has created a lasting career on her own, through sheer, roll-up-your-sleeves DIY hustle. *Every Day I'm Hustling* is a personal book with a message Fox passionately believes in: that you make your own luck, that you never ever wake up in the morning thinking somebody's going to call you and offer you that part or ask you out on that date that's going to change your life, that *you* have to wake up and put on your longest eyelashes and fiercest heels and go out and make your life happen yourself.

The actress provides start-today strategies for success in business and “been there” lessons in love, buttressed with stories from her early family life all the way through to today. Always honest and *always* funny, Fox also tells behind-the-scenes tales from some of her biggest movies — such as Uma Thurman's life-changing advice during *Kill Bill* and Will Smith's downtime pep talk on *Independence Day*. And she maps out exactly what it took to come back with a role on the smash hit *Empire* and her own frisky show on Lifetime, *Vivica's Black Magic*. She also shares her *how-is-she-53?* secrets to looking your best, no matter the age on your driver's license.

PRAISE

"Like her spot-on portrayals in front of the camera, she is totally entertaining as an author." —*Essence* magazine

"Fox's plainspoken prose is entertaining and her fans will appreciate her beauty tips, style secrets, and frankness about aging in Hollywood." —*Library Journal*

"It was refreshing to hear the real stories of what it took to get there.... If you're ready to get to the next level and want real advice about how to get there, pick up this book today." —*Her* magazine

"More than a simple memoir, Fox also offers advice for overcoming the everyday struggles of life and career." —*ABC News*

VIVICA A. FOX is an actress, producer, and TV host. After getting her start in soap operas, most famously *Generations*, she went on to star in *Independence Day*, *Kill Bill*, and the hit FOX show *Empire*. She was also the recipient of an NAACP Image Award for Outstanding Actress in a Drama Series for her work on the lifetime series *Missing*. Vivica lives in Los Angeles.

A Palm Beach Wife

Susannah Marren

For readers of Elin Hilderbrand, a delicious and irresistible commercial novel set among the high society galas and gossip of Palm Beach.

Amid the glamour and galas and parties of Palm Beach, Faith knows that image often counts as much if not more than reality. She glides effortlessly among the highest of the high society so perfectly that you would never suspect she wasn't born to this. But it wasn't always so; though she hides it well, Faith has fought hard for the wonderful life she has, for her loving, successful husband, for her daughter's future. In this town of secrets and gossip and rumors, Faith has kept a desperate grip on everything she holds so dear, built from so little. And yet even she—the only one who knows just how far she has to fall—never suspects from which direction, or how many directions all at once, betrayal will come.

Buddhism

*An Introduction to the Buddha's Life, Teachings, and Practices
 (The Essential Wisdom Library)*

Joan Duncan Oliver

A modern guide to the essential teachings of Buddhism

Part of *The Essential Wisdom Library*, *Buddhism* provides an accessible, comprehensive guide for anyone looking to gain an understanding of the faith and practice of the religion. From central ideas like the Eight Fold Path and the Four Noble Truths to the role of meditation, *Buddhism* offers an indispensable introduction to the wisdom tradition that has shaped the lives of millions of people across centuries and continents. Writing in an engaging, approachable style, author Joan Duncan Oliver outlines the key tenants of Buddhism for every reader, unpacking complex philosophies and revealing the beauty of the timeless faith.

A practitioner of Buddhist meditation for over thirty years, Oliver has written extensively on the subject and is uniquely well versed in Buddhist practice. Her expert knowledge and understanding make *Buddhism* an essential modern guidebook to an ancient tradition.

JOAN DUNCAN OLIVER is *Tricycle's* reviews editor and an award-winning journalist whose work has appeared in such publications as *The New York Times*, *O: the Oprah Magazine*, *Health*, *Shambhala Sun*, and *The Best Buddhist Writing 2005*. Her books include *Happiness; Good Karma*; and, most recently, *Coffee with the Buddha*. She has practiced Buddhist meditation for 30 years, studying with teachers in the Zen, Vipassana, and Tibetan Buddhist traditions.

In Prior's Wood

A Max Tudor Mystery

G. M. Malliet

“The Father Max Tudor books are just excellent. G. M. Malliet has crafted the English village of our dreams.” —Charlaine Harris

Newly returned from investigating a sordid murder in Monkslip-super-Mare, handsome spy-turned-cleric Max Tudor wants nothing more than to settle back into his predictable routine as vicar of St. Edwold’s Church in the tiny village of Nether Monkslip. But the flow of his sermon on Bathsheba is interrupted when the lady of the local manor house is found in a suicide pact with her young lover.

Lady Duxter’s husband rallies quickly from the double tragedy—too quickly, it is murmured in the village. But Max reminds his parishioners that grief can take many forms. Lord Duxter has already offered his manor house to a motley crew of writers, including Max’s wife Awena, for his Wooten Priory Writers’ Retreat. He insists the show must go on.

But when a young girl goes missing and a crime writer who needed to be taken down a few notches becomes a target, DCI Cotton asks Max to lend his MI5 expertise to the investigation, for it is felt murder might be a notch too far. Max begins to wonder: Was the attack on the writer only part of a broader conspiracy of silence? And how many more might die before Max can solve the mystery?

Agatha Award-winning author G. M. Malliet continues to captivate cozy fans and Agatha Christie devotees with her witty and endearing mysteries. Max’s intriguing investigation into the goings-on in Prior’s Wood is no exception.

PRAISE

“[Malliet] may be the best mystery author writing in English at the moment (along with French). She’s certainly the most entertaining, with her delightful but surprisingly deep series about sleuthing vicar Max Tudor...” —Cleveland Plain Dealer on *A Demon Summer*

“Contemporary cozies don’t get much better than Agatha-winner Malliet’s third Max Tudor mystery.” — Publishers Weekly (starred) on *Pagan Spring*

“This series shines for its wit, well-drawn characters, pitch-perfect dialogue, and intricately structured puzzle.” —Library Journal, starred review on *Fatal Winter*

G. M. MALLIET’s first St. Just mystery won the 2008 Agatha Award for Best First Novel, and was chosen by Kirkus Reviews as a best book of the year. It was nominated for many awards, including the Anthony, the Macavity, and a Left Coast Crime award for best police procedural. Her subsequent mysteries and short stories have been nominated for nearly every major crime-writing award. She and her husband live in the US and travel often to the UK, the setting for all her books.

Damsel in Distress

A Daisy Dalrymple Mystery

Carola Dunn

Back in a brand new edition, a classic Daisy Dalrymple mystery for new fans and old.

It's Spring 1923 and love is in bloom as the Honourable Phillip Petrie finds himself totally smitten with Miss Gloria Arbuckle, daughter of an American millionaire. But before the enthusiastic suitor can pop the question, his beloved is abducted by kidnapers. As Gloria's distraught father begins assembling the ransom, Phillip enlists his childhood friend, the Honourable Daisy Dalrymple, to help him recover his missing sweetheart. Strictly forbidden to contact the police, Daisy must resist the temptation to bring her occasional collaborator, Scotland Yard's Detective Chief Inspector Alec Fletcher, into the case. But as she closes in on the abductors' rural hideaway, she begins to suspect that Gloria isn't the only fair damsel whose life hangs in the balance...

PRAISE

"Delicious...pleasantly reminiscent of the old-fashioned English mysteries of a bygone era." —*The Denver Post* on *Gunpowder Plot*

"Dunn's forebears are writers such as Agatha Christie and Dorothy L. Sayers. They set the standard for classic cozy puzzles, and *Heirs of the Body's* unfussy prose and straightforward plot lends themselves well to this venerable tradition." —*The Seattle Times*

"Amusing and sprightly, and as evocative of the period as ever." —*Kirkus Reviews* on *Anthem for Doomed Youth*.

CAROLA DUNN is the author of many mysteries featuring Daisy Dalrymple, most recently *The Corpse at the Crystal Palace*, as well as numerous historical novels. Born and raised in England, she lives in Eugene, Oregon.

Energy Healing

Simple and Effective Practices to Become Your Own Healer (A Start Here Guide)

Kris Ferraro

Everything you need to begin practicing energy healing in your own life

Energy Healing is a practical guide to the unique and powerful art of channeling restoring energy through the body. The channeled energy can promote physical health and healing. This *Start Here Guide* offers an overview of the history and development of Energy medicine and various methods including Healing Touch, Reiki, and Pranic healing. Readers are introduced to key concepts such as Qi, Vital fluid, and Prana as part of a holistic understanding of the practice of Energy Healing.

Going beyond a merely hypothetical understanding, *Energy Healing* includes exercises and methods to help readers transform their own lives. With exercises specifically designed for the novice practitioner, readers will soon be able to develop their own healing practice. Diagrams and illustrations throughout the book provide clear directions and help readers visualize energy patterns. Anyone looking to understand and practice energy medicine in their own life should Start Here!

KRIS FERRARO is a writer, speaker, coach, licensed affirmative prayer practitioner with Centers for Spiritual Living, and certified Advanced EFT (EFT-ADV) practitioner. She has spent 25 years studying and applying the principles of metaphysics, shamanism, Native American spirituality, Christian mysticism, and Eastern philosophy to create dramatic changes in her own life.

The Clean 20

20 Foods, 20 Days, Total Transformation

Ian K. Smith

From the author of *SHRED* and *Blast the Sugar Out*, the *New York Times* bestselling ultimate guide to clean eating!

What is clean eating? In his newest diet book, Dr. Ian K. Smith teaches readers the benefits of clean eating and how to implement it in their own lives. He tells readers how to easily reduce unhealthy processed foods in their diets, a key to weight loss, disease prevention, and overall health. *The Clean 20* focuses on twenty clean foods--from avocado to whole wheat pasta and everything in between--that readers can easily find, prepare, and incorporate into their diets. *The Clean 20* includes a complete clean eating program with a daily meal plan, 60 recipes and substitutions, as well as 20 minute easy-to-work-in workouts.

Dr. Ian knows what works: it's not eliminating food groups, but choosing foods *within* each group wisely to satisfy the palate and the body's nutritional demands. *The Clean 20* isn't just vegetables. Grains are in. And so is fruit, fat, meat and fish. When palate and nutrition are in sync, weight loss not only follows, it sticks. *The Clean 20* is a life and body changer.

PRAISE

"A simple plan to help regular folks—rather than the extreme dieters among us—shed excess weight and live with a little more energy... This is for the average person who wants to make a change, hit that reset button, but not go crazy."
—*Men's Journal*

"If you are a busy person and do not have much time to prepare your food, *The Clean 20* is the solution. These recipes are not only healthy but also scrumptious. You are most likely to continue eating them even after the 20-day plan period. *The Clean 20* is for the health-conscious people." —*Washington Book Review*

IAN K. SMITH, M.D. is the #1 *New York Times* bestselling author of *SHRED*, *SUPER SHRED*, *The SHRED Power Cleanse* and *Blast the Sugar Out*. He has created two national health initiatives--the 50 Million Pound Challenge and the Makeover Mile—and has served two terms on the President's Council on Fitness, Sports, and Nutrition. A graduate of Harvard, Columbia, and the University of Chicago's Pritzker School of Medicine, Smith is an avid fitness enthusiast and sportsman.

Procrastination is a universal problem. Even with overflowing inboxes, missed calls, and unmet deadlines, we somehow can't manage to take control of our time and stop procrastinating. *The End of Procrastination* tackles this ubiquitous issue head on, helping you stop putting off work and reclaim your time. Authors Petr Ludwig and Adela Schicker show that ending procrastination is more than a wise time management strategy—it's essential to leading a happier more fulfilled life.

The keys to overcoming procrastination are simple. With eight clear, approachable tools—from quick daily worksheets to shift your perspective to to-do lists that actually help you get things done—*The End of Procrastination* provides everything you need to change the way you manage your time and live your life.

Based on the latest research, *The End of Procrastination* synthesizes over one hundred scientific studies to create a program that is based on the way our brains actually work. By understanding exactly why procrastination happens and how our brains respond to motivation, self-discipline, and objectivity the book provides readers with the knowledge to conquer procrastination in their own lives.

PETR LUDWIG is a science popularizer, entrepreneur, and consultant for Fortune 500 companies in Europe. He explains crucial and difficult things simply. In his book and talks, he transfers the knowledge of neuroscience and behavioral economics into practice.

ADELA SCHICKER is the co-founder of Procrastination.com. Adela translated the book and is helping it to reach the international audience. She speaks at conferences and training companies worldwide, making sure that science is simple & useful.

Success Habits

Proven Principles for Greater Wealth, Health, and Happiness

Napoleon Hill

A never before published book by iconic self-help expert Napoleon Hill explaining his Principles of Success

In *Success Habits*, Napoleon Hill outlines his principles of success, a set of key tenants and beliefs that provide a basis for life-changing success. Hill, the legendary author of the classic best seller *Think and Grow Rich*, has been immortalized for his contributions to the self-help genre. In this never-before-published work he continues to share the wisdom that has changed the lives of millions. With straightforward, engaging language, Hill explains the fundamental rules that lead to a prosperous life. From the importance of having Definiteness of Purpose to the inexorable influence of the Cosmic Habit Force, Hill's principles offer a new way of thinking about intention, self-discipline, and the way we lead our lives.

Originally a series of radio talks delivered in Paris, Missouri, *Success Habits* is filled with personal anecdotes and stories to illustrate the Principles of Success. Hill's insights apply to every facet of life, inspiring readers to leverage his principles to achieve their own aspirations and create the successful lives they have always dreamed of.

PRAISE

Praise for Napoleon Hill:

"During the past twenty-five years I have been blessed with more good fortune than any individual deserves but I shudder to think where I'd be today, or what I'd be doing if I had not been exposed to Napoleon Hill's philosophy. It changed my life."—Og Mandino, *The Greatest Salesman in the World*

NAPOLEON HILL was born in 1883 in a one-room cabin on the Pound River in Wise County, Virginia. He is the author of the motivational classics *The Laws of Success* and *Think and Grow Rich*. Hill passed away in November 1970 after a long and successful career writing, teaching, and lecturing about the principles of success. His lifework continues under the direction of the Napoleon Hill Foundation.
