# The Official SAT Subject Test in Mathematics Level 1 Study Guide

The College Board

**The only study guide specific to Math Level 1 from the actual test makers. The new edition offers two additional, never-been released forms of real past Math Level 1 exams.**

SAT Subject Tests are a valuable way to help students show colleges a more complete picture of their academic background and interests. Each year, over 200K high school students take a math SAT Subject Test to demonstrate their knowledge and showcase their achievement. Many of today's careers require STEM skills, and SAT Subject Tests can provide a fair and reliable measure of students' achievement in math in high school. This information can often enhance a student's college admission portfolio. Several colleges and universities also require or recommend students to take SAT Subject Tests for admission and/or placement.

The Official SAT Subject Test in Mathematics Level 1 Study Guide from the College Board is the only source of official questions and answer explanations for these exams. Created from the makers of the Subject Tests, this guide offers a total of four (two never-been released) forms of real past Math exams for students to gain real practice. Students will gain valuable experience and raise their confidence by taking practice tests, learning about test structure, and gaining a deeper understanding of what is tested on the test. The Official SAT Subject Test in Mathematics Level 1 Study Guide will help students get ready for the test with:

- 4 full-length, previously administered tests in Math Level 1
- Detailed answer explanations for every question in all tests
- Exclusive test-taking approaches and tips
