Monster Musume Vol. 15

by OKAYADO

A *New York Times* bestselling series that kicked off the monster girl phenomena in North America!

What do world governments do when they learn that fantastical beings are not merely fiction, but flesh and blood - not to mention feather, hoof, and fang? Why, they create new regulations, of course! The Interspecies Cultural Exchange Accord" ensures that these once-mythical creatures assimilate into human society ... or else!

When hapless human twenty-something Kurusu Kimihito becomes an involuntary "volunteer" in the government homestay program for monster girls, his world is turned upside down. A reptilian lamia named Miia is sent to live with him, and it is Kimihito's job to tend to her every need and make sure she integrates into his everyday life. While cold-blooded Miia is so sexy she makes Kimihito's blood boil with desire, the penalties for interspecies breeding are dire.

Even worse, when a buxom centaur named Centorea and a scantily clad harpy named Papi move into Kimihito's house, what's a full-blooded young man with raging hormones to do?!

"

Monster Musume is a fun, sexy harem story... if you're in the mood for a raunchy comedy that still has a brain, look no further than this."

Saint Seiya: Saintia Sho Vol. 6

by Masami Kurumada, illustrated by Chimaki Kuori

The newest iteration of the genre defining *Saint Seiya* series - now with an anime adaptation!

In the wake of a space-wide civil war, instigated by Saga - the Gemini Gold Saint - a new team of Saints comes together with the goal of protecting their goddess Athena. This first all-women team of armored warriors, powered by the Zodiac, will use all their cunning, strength, and compassion to defend their worlds and oppose their very destinies.

As a comforting reminder or a bid to tap into 1980s nostalgia, it's perfect: the fights are brisk, hot-blooded, flashy affairs full of posturing, and the melodrama is loud and teary, exactly as Kurumada would have drawn it." - *Otaku USA Magazine*

" *Saint Seiya: Saintia Sho* has the appearance of a shojo series, but it's got the spark and spirit of a shonen. Drawn beautifully on every page, the characters and the worlds they're surrounded in feel very reminiscent of Chiho Saito's *Revolutionary Girl Utena* ." - *Boston Bastard Brigade*

" Overall I really enjoyed this opening bravado to *Saintia Sho* . Shoko is the kind of female lead I like to follow in an action series: she adapts quickly to new situations, she already has some martial arts prowess so she isn't completely helpless when attacked by supernatural forces, and she's not a hot-headed idiot who gets herself into more trouble than she gets herself out of." - *The OASG*

◆ I found reading this book an absolute hoot, and it was also nice to see a standard "other world" series where the focus is on a girl and her friendships and not possible romantic interests." - Sean Gaffney, *A Case Suitable for Treatment (Manga Bookshelf)*

"If you missed this one when it was released as an e-book back in February, it's worth picking up in hard copy - it works well within its subgenre and is also a nice break from the general tendency towards bringing over isekai works with heroes rather than heroines." - *Anime News Network*

Toradora! (Light Novel) Vol. 6

by Yuyuko Takemiya, illustrated by Yasu

The original light novel that inspired the hit manga and anime series!

Takasu Ryuuji has learned the hard way that appearances can be deceiving. For despite his inwardly sweet personality, his unintentionally sharp gaze and aggressive features give him the air of a delinquent thug, putting his chances at making new friends, let alone a girlfriend, next to zero.

It's Ryuuji's first day of his second year of high school and it seems as if things are looking up. He gets to sit in between his only friend, Yuusaku, and more importantly, the girl he's secretly crushing on, Kushieda Minori. But just when he thinks the stars are aligned in his favor, he unwittingly crosses the most feared girl in school, Aisaka Taiga, making her into his arch enemy. To top it off, Taiga has moved in right next door to Ryuuji and happens to be Minori's best friend! Can this school year possibly get any worse?!

With a heartwarming story and two interesting protagonists, the series is well worth giving your time to. Whether you're new to the series or a *Toradora!* veteran, this one belongs in your collection." - *Anime UK News*

by Kazuma Kamachi, illustrated by Motoi Fuyukawa

The *New York Times* bestselling SF manga series continues!

Welcome to a world where mysticism and science collide, and supernatural powers are derived from either science or religion.

At the heart of this world is Academy City, an advanced metropolis whose population is comprised mostly of students. The majority of students are enrolled in the city's Power Curriculum Program, where they must learn to master their latent psychic powers. Out of several million students, only seven are deemed powerful enough to have Level 5 status.

Meet Mikoto Misaka, the third most powerful Level 5 esper in Academy City. Together with her best friend Kuroko Shirai and the other members of Judgment, a student-run law enforcement agency, Mikoto delves deep into the dark heart of the scientific sprawl she calls home and uncovers secrets she wishes she hadn't!

An all-new series featuring a contemporary take on one of the most revered and recognizable characters in science fiction history!

Landing himself in prison, Tadashi finds himself invited aboard the battleship Arcadia, controlled by none other than the legendary Captain Harlock. Joining his crew on their journey through space, Tadashi's future will lead him to confront not only the Mazon, but the many other forces across the universe threatening humanity's very existence.

Harlock leads the way to a world of new ideas."

"Kouiti faithfully preserves Leiji Matsumoto's character designs (I love Tadashi's young handsome look and Tochio Oyama's goofy design in particular). The Girl From The Other Side: Siuil A Run Vol. 7

by Nagabe

An ethereal fantasy from the editorial team behind the *New York Times* bestselling series *The Ancient Magus' Bride*.

In a land far away, there were two kingdoms: the Outside, where twisted beasts roamed that could curse with a touch, and the Inside, where humans lived in safety and peace. The girl and the beast should never have met, but when they do, a quiet fairytale begins.

This is a story of two people - one human, one inhuman - who linger in the hazy twilight that separates night from day.

♦ *The Girl from the Other Side* is a masterfully told comic." - J. Caleb Mozzocco, *School Library Journal: Good Comics for Kids*

"One of the most fulfilling aspects of *Siuil* is this conveyance of comics as language, of words and pictures as unified text. ♦ It's been a while since I loved a book as unequivocally as I loved *The Girl from the Other Side*, and I'm eager to see where it goes next." - Zainab Akhtar, *Comics & Cola*

"♦ the dread and mystery that permeate *The Girl from the Other Side* are so remarkable that there seems little point in doubting; it remains poised to continue as one of the most fascinating works of graphic fiction in recent memory." - Austin Price, *Unwinnable*

Saint Seiya: Saintia Sho Vol. 7

by Masami Kurumada, illustrated by Chimaki Kuori

The newest iteration of the genre defining *Saint Seiya* series - now with an anime adaptation!

In the wake of a space-wide civil war, instigated by Saga - the Gemini Gold Saint - a new team of Saints comes together with the goal of protecting their goddess Athena. This first all-women team of armored warriors, powered by the Zodiac, will use all their cunning, strength, and compassion to defend their worlds and oppose their very destinies.

As a comforting reminder or a bid to tap into 1980s nostalgia, it's perfect: the fights are brisk, hot-blooded, flashy affairs full of posturing, and the melodrama is loud and teary, exactly as Kurumada would have drawn it." - *Otaku USA Magazine*

" *Saint Seiya: Saintia Sho* has the appearance of a shojo series, but it's got the spark and spirit of a shonen. Drawn beautifully on every page, the characters and the worlds they're surrounded in feel very reminiscent of Chiho Saito's *Revolutionary Girl Utena* ." - *Boston Bastard Brigade*

" Overall I really enjoyed this opening bravado to *Saintia Sho* . Shoko is the kind of female lead I like to follow in an action series: she adapts quickly to new situations, she already has some martial arts prowess so she isn't completely helpless when attacked by supernatural forces, and she's not a hot-headed idiot who gets herself into more trouble than she gets herself out of." - *The OASG*
