Death Doesn't Bargain

#1 NYT bestseller Kenyon returns to her Deadmen: this epic pirate fantasy is sure to appeal to her millions of Dark-Hunter fans

The Deadmen are back...

But so are the demons who've broken free of their eternal prison. The worst is Vine, determined to destroy the Deadmen...and she has the perfect lure: one of their own.

Kalder Dupree has never known a day of mercy. Born to the cruelest of mer-races, he sacrificed himself for his crew and is in Vine's hands.

Cameron Jack is determined to set Kalder free. As a Hellchaser, it's her calling, and she cannot allow even a not-so-innocent to be tortured for an act of kindness that spared her damnation.

To defeat evil, it sometimes takes an even worse evil, and Cameron is willing to do whatever she must to make this right. If Vine thought she had her hands full before, she hasn't seen anything nearly as powerful as Cameron's resolve.

Nomad

Ian Fleming meets John Le Carre in this international bestseller and world-spanning espionage thriller.

Marc Dane is an MI6 agent at home behind a computer screen, one step away from the action. When a brutal attack on his team leaves Dane the only survivor—and with the shocking knowledge that there are traitors inside MI6—he's forced into the front line.

Matters spiral out of control when the evidence points toward Dane as the perpetrator of the attack. Accused of betraying his country, he must race against time to clear his name. With nowhere to turn to for help and no one left to trust, Dane must rely on the elusive Rubicon group and their operative Lucy Keyes. Ex U.S. Army, Keyes also knows what it's like to be an outsider, and she's got the skills that Dane needs.

A terrorist attack is coming, one bigger and more deadly than has ever been seen before. With the eyes of the security establishment elsewhere, only Keyes and Dane can stop the attack before it's too late.

The Six-Gun Tarot

Buffy meets *Deadwood* in a dark, wildly imaginative historical fantasy

Nevada, 1869: Beyond the pitiless 40-Mile Desert lies Golgotha, a cattle town that hides more than its share of unnatural secrets. The sheriff bears the mark of the noose around his neck; some say he is a dead man whose time has not yet come. His half-human deputy is kin to coyotes. The mayor guards a hoard of mythical treasures. A banker's wife belongs to a secret order of assassins. And a shady saloon owner, whose fingers are in everyone's business, may know more about the town's true origins than he's letting on.

A haven for the blessed and the damned, Golgotha has known many strange events, but nothing like the primordial darkness stirring in the abandoned silver mine overlooking the town. Bleeding midnight, an ancient evil is spilling into the world, and unless the sheriff and his posse can saddle up in time, Golgotha will have seen its last dawn...and so will all of Creation.

No one gets hurt, but the brutality is real and the crowds love it.

Until an up-and-coming athlete drops dead on the field.

Is it an accident or murder? FBI for Hadens affairs agents Chris Shane and Leslie Vann are called in to uncover the truth—and in doing so travel to the darker side of Hilketa, where fortunes are made or lost, and where players and owners do whatever it takes to win.
