Look! What Is That?

By Tristan Mory

An encounter with a curious-looking creature sparks a series of questions from an inquisitive bunch of animals. Not a lot of hair? It's not a bear. No beak or feathers? Can't be a bird. Even Wolf joins this fun twist on the guess-the-animal game. Little ones can pull the tabs one by one to solve the mystery. The heartwarming ending will satisfy them as the animals figure out just what the creature is!
