DISTRIBUTED IN THE USA BY CHRONICLE BOOKS

Welcome to the Spring 2025 Collection from Mudpuppy!

As the season shifts and we gear up for the months ahead, we want to take a moment to express our gratitude for your continued partnership. Together, we've navigated changing trends and challenges, and it's because of your expertise and commitment

that our products continue to find their way into the hands of customers who appreciate quality and creativity.

At Mudpuppy, our mission is to curate the wonders of the world for kids, scaled and interpreted in artful ways that inspire discovery and exploration. We create toys, puzzles, and games that delight kids with color, design, and ideas about the world, sparking imagination and creating experiences that engage the whole family.

This Spring 2025 season, we're excited to introduce Sticker Sparkle Poster Activity Kits, Color Magic Water-Reveal Kits, a new picture book featuring Taylor Swift's 3 cats, new toys from the bestselling Tiny T. Rex books, and much more. We're confident these new releases will spark joy and curiosity in children everywhere.

Thank you for the role you play in making each season a success. Let's continue to inspire and delight together.

Warm regards,

Bill Miller
